No representation or warranty: The Arranger has not made, and you have not relied upon any representation, warranty or condition (express and/or implied), and the Arranger shall not owe any duty whatsoever to you in connection with the Bonds.

**No obligation to purchase:** The Arranger shall have no obligation to purchase or acquire all or any part of the Bonds purchased by you or to support losses, if any, directly or indirectly sustained or incurred by you for any reason whatsoever in connection with the Bonds, including the non-performance by the issuance, whether to you or otherwise.

#### SECTION 2: RISK FACTORS AND MANAGEMENT PERCEPTION ABOUT RISK

United Commercial Bank PLC (The Issuer) operates in banking industry which is cyclical and hence is exposed to several risk factors arising from external as well as internal matters. Moreover, any investment in debt securities carries risks. Hence, different debt securities carry different risks; an investment in Subordinated Bond has to be evaluated on its own merits. An investment in the Subordinated bonds is in that respect no different.

Potential investors of UCB 6<sup>th</sup> Subordinated Bond are strongly encouraged to carefully evaluate all the information in this Information Memorandum, specially the risk factors both internal and external on their own merit and not by referent to any other debt securities whether of a comparable nature or otherwise before making any investment decision.

This section addresses the possible risks an investor might have to bear by investing in the bonds and each risk factor is followed by management's perception regarding the risk. If any of the risks described below materialize, it could have a serious impact on the Issuer's financial results, and the ability of the Issuer to fulfill its obligations under the Bonds to be issued. However, the list of risk factors is not meant to be a comprehensive description of all risks which may be relevant to a decision to invest in the Bonds. The sequence in which the risks below are listed is not intended to be indicative of any order of priority or of the extent of their consequences.

#### a. Interest Rate Risk

The banking book consists of assets and liabilities contracted basically on account of relationship or for steady income and statutory obligations and are generally held till maturity/payment by counter party. The earnings or changes in the economic value are the main focus in banking book. Interest rate risk is the risk that a bank will experience deterioration in its financial position as interest rates move over time. Interest rate risk in the banking book arises from a bank's core banking activities.

#### Management Perception

The Bank uses Duration Gap Analysis (DGA) for deriving value of capital requirement for interest rate risk. The Bank ensures that interest rate risk is not included within the market risk. The Bank has calculated the rate sensitive assets and liabilities with maturity up to 12 months' bucket and applied the sensitivity analysis to measure the level of interest rate shock on its capital adequacy.

#### b. Foreign Exchange Rate Risk

Exchange rate risk is defined as the potential change in earnings due to change in foreign exchange rates. Exchange rate fluctuation may reduce the profitability of the bank because its trade commitments from various sources of foreign exchange like export proceeds and remittances.

18 AUG 2025

#### Management's perception

Treasury Department conducts the Foreign Exchange Deals for the Bank as per Bangladesh Bank (BB) guideline and their own policies. Treasury Mid Office is responsible to monitor all related limits of Treasury and limits of its respective counterparties independently. In addition to Mid Office job is to ensure

compliance, manage and escalate overall Risk issues of Treasury as and when required. Treasury Back Office is responsible for verification of all deals executed by Treasury, settling payments and passing of entries in the books of account. Back Office is also ensuring revaluation in the Core Banking at Mark-to-Market rate basis as determined by BB on daily basis, submitting Foreign Exchange Position report as per BB guideline daily, reconciling/reporting all NOSTRO accounts with its book of entries and submitting all related reports to Bangladesh Bank.

### c. Non-repayment Risk

It arises mainly from lending, trade finance, settlement and other financial transactions. This can be described as potential loss arising from the failure of a counter party to perform as per contractual agreement with the Bank. The failure may result from unwillingness of the counterparty or decline in his/her financial condition.

#### Management's perception

Potential credit losses from any given account, customer or portfolio are mitigated using a range of tools such as collateral, netting agreements, insurance, and other guarantees. The reliance that can be placed on these mitigates is carefully assessed in light of issues such as legal certainty and enforceability, market valuation correlation and counterparty risk of the guarantor. Risk mitigation policies determine the eligibility of collateral types. Collateral types which are eligible for risk mitigation include; cash, residential, commercial and industrial property; fixed assets such as motor vehicles, plant and machinery, marketable securities, commodities, bank guarantees, and letters of credit. Collateral is valued in accordance with our Methodology for Valuation of Security/Collateral Assets, which prescribes the frequency of valuation for different collateral types, based on the level of price volatility of each type of collateral. Collateral held against impaired loans is maintained at fair value.

#### d. Prepayment, Call or Refunding Risk

Prepayment, call or refunding risks are the risks associated with the principal amount of a bond.

#### Management's Perception

This bond is subordinated in nature. The bond is redeemable as per Repayment Schedule as depicted in features (5.1) section.

#### e. Security Risk

Security is the specific revenue sources or assets pledged by an issuer to the bondholder to secure repayment of the bond. Therefore, security risk is all about the process of recovering the investment by the bond holder by utilizing the charge against the collateral securities in case of Issuer's inability to repay the face value of the bond(s).

#### Management's Perception

UCB 6th Subordinated bond is an unsecured bond. Specific revenue sources or assets are not being pledged against the issuance of the bonds. Investors will have the right on the UCBL's cash flow to get repaid but rank of a bond holder is below than other loans (or securities) with regard to claims on assets or earnings.

#### f. Liquidity Risk

Liquidity risk is the risk to the bank's earnings and capital arising from its inability to timely meet obligations. Liquidity risk primarily arises due to the maturity mismatch associated with assets and liabilities of the bank. Although liquidity risk dynamics vary according to a bank's funding market, balance sheet, and intercorporate structure, the most common signs of possible liquidity problems include rising funding costs, a rating downgrade, decreases in credit lines, or reductions in the availability of long-term funding.

Mohammad Mamdudur Rashid Managing Director & CEO United Commercial Bank PLC Nasimul Baten Managing Director & CFO OBH Finance PLC.

United Commercial Bank PLC maintains diversified and stable funding base comprising of core retail, corporate and institutional deposits to manage liquidity risk. The prime responsibility of the liquidity risk management of the Bank lies with Treasury Division under the supervision of ALCO, which maintains liquidity based on current liquidity position, anticipated future funding requirement, sources of fund, options for reducing funding needs, present and anticipated asset quality, present and future earning capacity, present and planned capital position etc. The intensity and sophistication of liquidity risk management process depend on the nature, size and complexity of a bank's activities. Sound liquidity risk management employed in measuring, monitoring and controlling liquidity risk is critical to the viability of the bank. The Asset Liability Committee (ALCO), which meets at least once in a month, is responsible for managing and controlling liquidity of the Bank. Treasury front office closely monitors and controls liquidity requirements on daily basis by appropriate coordination of funding activities and they are primarily responsible for management of liquidity in the Bank. A monthly projection of fund flows is reviewed in ALCO meeting regularly.

#### g. Management Risk

Management risk refers to the chance that bank managers' inefficiency or under performance which will finally affect the shareholders. The bondholders may suffer financial losses in such an event.

#### Management's Perception

The Bank has well established management structure with diverse knowledge, skills, experience and expertise in core area of banking operation in its bid to attain optimal utilization of available resources. The bank has also a well proven track record of having strong and effective leadership which already has shown an effect on the Bank's financial performances.

#### h. Operational Risk

Operational Risk is the risk of loss resulting from inadequate or failed internal processes, people and systems or from external events. Operational risk may also arise from error and fraud due to lack of internal control and compliance across the bank.

#### Management's Perception

Operational Risk is inherent in every business organization and covers a wide spectrum of issues. In order to mitigate this, internal control and internal audit systems are used as the primary means. United Commercial Bank PLC manages this risk through a control based environment in which processes are documented, authorization is independent and transactions are reconciled and monitored. This is supported by an independent program of periodic reviews undertaken by internal audit, and by monitoring external operational risk events, which ensure that the bank stays in line with industry best practice and takes account of lessons learned from publicized operational failures within the financial services industry. United Commercial Bank PLC has operational risk management process which explains how the bank manages its operational risk by identifying, assessing, monitoring, controlling and mitigating the risk, rectifying operational risk events, and implementing any additional procedures required for compliance with Bangladesh Bank's requirements. Operational risk management responsibility is assigned to different level of management within the business operation. Information systems are used to record the identification and assessment of operational risks and to generate appropriate regular management reporting. Risk assessment incorporates a regular review of identified risks to monitor significant changes.

#### i. Business Risk

Business risk is the possibility that a company will have lower than anticipated profits, or that it will experience a loss rather than a profit. Business risk is influenced by numerous factors, including business environment, economic situation and government regulations.

#### Management's Perception

The performance and the quality and growth of Bank's assets are necessarily dependent on the health of the Bangladesh economy as well as on global economic conditions. An economic slowdown could adversely affect the business, including inability to grow asset portfolio, to maintain the quality of the assets and to implement business strategy. The domestic economy could be adversely affected by a variety of domestic as well as global factors. To mitigate business risk management continuously pursue to execute dynamic strategy on growth and business diversification.

#### j. Industry Risk

Industry risk is the possibility that a specific industry will not perform up to the level or at par. When problems plague one industry, they affect the individual organization of that particular industry. They may also cross over into other industries. The issuer is operating in a highly competitive market as modern banking industry has brought greater business diversification. Some banks in the industrialized world are entering into investments, underwriting of securities and portfolio management. The entry of new competitors may also deteriorate the competitive environment and result in lower profitability of the bank.

#### Management's Perception

The Bank has an established broad-based presence and has been taking steps to enhance customer satisfaction by upgrading skills, systems and technology to meet such challenges. The Bank is attempting to add quality assets on competitive terms and also taking steps to broad base its product bouquet with a special emphasis on enhancement in the non-fund-based income. On the resource-raising front, the Bank is actively endeavoring to broaden its reach and raise resources through its wide distribution network of branches.

#### k. Market and Technology Related Risk

Market risk is the risk of potential losses in the on-balance sheet and off-balance sheet positions of a bank, steams from adverse movements in market rates or prices such as interest rates, foreign exchange rates, equity prices, credit spreads and/or commodity prices. Market risk exposure may be explicit in bank's trading book and banking book.

The financial industry of Bangladesh is currently one of the fastest growing in the country and is increasingly becoming competitive. Strong marketing and brand management would be required to increase the bank's customer base.

As the banking industry is becoming more and more technology dependent the risks deriving from technological use is increasing day by day. The bank might be exposed to risks such as cyber-attack, system collapse, system hacking, unauthorized electronic fund transfers, etc.

#### Management's Perception

The Board approves all policies related to market risk, sets limit and reviews compliance on a regular basis. The objective is to provide cost effective funding last year to finance asset growth and trade related transaction. Standardized (rule based) approach is used to measure the market risk of the Bank whereas for interest rate risk and equity risk both General and specific risk factors are applied for calculating capital charge and for foreign exchange and commodities only general risk factor is applied. The duties of managing the market risk including liquidity, interest rate and foreign exchange risk lies with the Treasury Division under the supervision of ALCO committee. The ALCO committee is comprised of senior executives of the Bank, who meets at least once in a month. The committee evaluates the current position of the bank and gives direction to mitigate the market risk exposure to a minimum level.

There are approved limits for Market risk related instruments both on-balance sheet and off-balance sheet items. The limits are monitored and enforced on a regular basis to protect against market risk. The exchange rate committee of the Bank meets on a daily basis to review the prevailing market condition, exchange rate, forex position and transactions to mitigate foreign exchange risks.

Managing Director & CEO

Bank's business is highly dependent on ability to process a large number of transactions on a daily basis. Financial, accounting or other data processing systems may fail to operate adequately or may become disabled as a result of events that are wholly or partially beyond the control, including a disruption of electrical or communications services. These circumstances could affect bank's operations and may result in financial loss, disruption of businesses or may damage to bank's reputation. The Bank has set system and processes to protect its IT systems and network infrastructure from physical break-ins as well as security breaches and other disruptions caused by increased use of technology. Computer break-ins could affect the security of information stored in and transmitted through these computer systems and network infrastructure. The Bank continues to implement secured technology and establish operational procedures to prevent break-ins.

#### I. Risk Related to Potential or Existing Government Regulations

The company operates under, the Bank Companies Act-1991, Companies Act-1994, Income Tax Ordinance, 1984, Income Tax rules, 1984, Value Added Tax (VAT) Act, 1991, Value Added Tax (VAT) Rules, 1991, Customs Act, 1969, Bangladesh Securities and Exchange Rules, 1987 and other related regulations. The company also obtained license from Bangladesh Bank as a Bank under Bank Companies Act-1991. Any major changes in regulatory regime may cause the Bank to be a noncompliant one having adverse impact in the reputation of the Bank.

#### Management's Perception

The laws and regulations or the regulatory or enforcement environment in Bangladesh may change at any time and may have an adverse impact on the products or services bank offers. Central Bank from time to time has instituted changes in regulations applicable loan provisioning, rescheduling, and amended Bank Company Act-1991(amended2013). Unless any policy change that may negatively and materially affect the industry as a whole, the business of the bank is expected not to be affected significantly.

#### m. Risk Related to Potential Changes in Global and National Policies

Changes in existing global or national policies can have either positive or negative impacts for the Bank. The performance of the Bank will be hindered due to unavoidable circumstances both in Bangladesh and worldwide like political turmoil.

#### Management's Perception

A significant change in the global and national policies in the future, particularly in respect of the banking and financial sector could affect business and economic conditions in Bangladesh. This could also adversely affect the business, prospects, results of operations and financial condition. The management of the Bank transcribes the prevailing and upcoming future changes in the global or national policy and firms to response appropriately and timely management of the risk.

#### **SECTION 4: USE OF PROCEEDS**

## Purpose of Issuance of UCB 6th Subordinated Bond

United Commercial Bank PLC (UCB) has decided to raise Tier-2 Capital through issuance of Non-Convertible, Unsecured Subordinated Bond in order to strengthen its capital base in accordance with Bangladesh Bank's Guidelines on Risk Based Capital Adequacy (Revised Regulatory Capital Framework in line with Basel III). The proposed bond issue will allow the bank to enhance its capital strength and continue to grow its balance sheet in future years.

#### Plan Regarding Use of Proceeds from UCB 6th Subordinated Bond

The Board of Directors of United Commercial Bank PLC in its 514<sup>th</sup> meeting on 19 June 2025 decided to issue BDT 8,000.00 million subordinated bond. The purpose of this bond is to raise Tier-2 Capital of the bank as per Bangladesh Bank guidelines.

As on 31 Dec 2024, United Commercial Bank PLC had a consolidated Total Capital of BDT 52,127 million of which BDT 34,371 million was Tier-1 Capital and BDT 17,756 million was Tier-2 Capital while the consolidated Risk Weighted Assets of the bank was BDT 512,385 million. The Capital to Risk-weighted Assets Ratio (CRAR) of the bank was 10.17% on a consolidated basis. The proposed subordinated bond issue will allow the bank to further enhance its capital strength to meet increased requirement as per Bangladesh Bank's Basel III implementation and continue its balance sheet growth.

Apart from strengthening the bank's capital base, the proceeds from the issue will be used for undertaking general business activities of the bank including loans and investments in treasury and other securities. In summary, the proceeds will primarily be used for:

- Raising Tier-2 capital of the bank
- Growing the bank's loan portfolio in corporate, SME and retail segments
- · Investing in treasury securities and other instruments

The bank's overall loan book is dominated by industrial loans, commercial lending, and international trade in large and medium industries. However, United Commercial Bank PLC is rapidly progressing in SME & retail business in line with the changes in the global environment, local arena, and regulatory requirement for SME financing. UCB has been constantly pursuing innovative and diversified business lines. The Bank has brought Mobile Financial Services - Upay, Agent Banking, and a variety of other services for promoting financial inclusion and empowering cashless digital banking across the country. The bank has also been extending its helping hand to the marginal, underprivileged and low-income generating people, and the people of areas of natural and man-made disasters. Considering the possibility of compression of Net

Interest Margin (NIM), UCB will also continue its focus on fee based income through further enhancement of trade business as well as introduction and enhancement of transactional business.

Bank management will ensure effective monitoring of utilization of the issue proceeds under the fund management policy. Management will also ensure the risk exposure taken and shall not be below investment grade, stock or exposures.

Besides, since this instrument is under Time and Demand liabilities category, the Bank will have to maintain a Statutory Reserve in kind of Cash and Treasury securities for this Bond at prescribed rate by Bangladesh Bank.

#### SECTION 8: RIGHTS AND OBLIGATION OF THE TRUSTEE

Rights and Obligations of the Trustee have been incorporated from the Trust Deed executed between the Issuer (United Commercial Bank PLC) and the Trustee (DBH Finance PLC.).

#### Trustee's Rights

Applicable Law: Notwithstanding anything contained in this Trust Deed the Trustee shall have all such rights and powers granted under the applicable law including but is not limited to the Rules.

Advice: The Trustee may in relation to this Trust Deed act on the opinion or advice of or a certificate or any information obtained from any lawyer, banker, valuer, surveyor, broker, auctioneer, accountant or other expert (whether obtained by the Trustee, the Issuer, or any Subsidiary) and which advice or opinion may be provided on such terms (including as to limitations on liability) as the Trustee may consider in its sole discretion to be consistent with prevailing market practice with regard to advice or opinions of that nature and shall not be responsible for any Liability occasioned by so acting; any such opinion, advice, certificate or information may be sent or obtained by letter, telegram, telex, cablegram or facsimile transmission;

Resolution or direction of Bondholders: the Trustee shall not be responsible for acting upon any resolution purporting to be a Written Resolution or to have been passed at any meeting of the Bondholders in respect whereof minutes have been made and signed or a direction of a specified percentage of Bondholders, even though it may subsequently be found that there was some defect in the constitution of the meeting or the passing of the resolution or the making of the directions or that for any reason the resolution purporting to be a Written Resolution or to have been passed at any Meeting or the making of the directions was not valid or binding upon the Bondholders;

Trustee not responsible for investigations: save as otherwise provided by applicable law, the Trustee shall not be responsible for, or for investigating any matter which is the subject of, any recital, statement, representation, warranty or covenant of any person contained in this Trust Deed, the Bonds, or any other agreement or document relating to the transactions herein or therein contemplated or for the execution, legality, effectiveness, adequacy, genuineness, validity, enforceability or admissibility in evidence thereof;

Entry on the Register: the Trustee shall not be liable to the Issuer or any Bondholder by reason of having accepted as valid or not having rejected any entry on the Register later found to be forged or not authentic and can assume for all purposes in relation hereto that any entry on the Register is correct;

Events of Default: save as otherwise provided by applicable law, until it shall have actual knowledge or express notice to the contrary, the Trustee shall be entitled to assume that no such Event of Default has happened and that the Issuer is observing and performing all the obligations on its part contained in the Bonds and under this Trust Deed and no event has happened as a consequence of which any of the Bonds may become repayable; and

Right to Deduct or Withhold: notwithstanding anything contained in this Trust Deed, to the extent required by any applicable law, if the Trustee is or will be required to make any deduction or withholding from any distribution or payment made by it hereunder or if the Trustee is or will be otherwise charged to, or is or may become liable to, tax as a consequence of performing its duties hereunder whether as principal, agent or otherwise, and whether by reason of any assessment, prospective assessment or other imposition of liability to taxation of whatsoever nature and whenever made upon the Trustee, and whether in connection with or arising from any sums received or distributed by it or to which it may be entitled under this Trust Deed (other than in connection with its remuneration as provided for herein) or any investments or deposits from time to time representing the same, including any income or gains arising therefrom or any action of the Trustee in connection with the trusts of this Trust Deed (other than the remuneration herein specified) or otherwise, then the Trustee shall be entitled to make such deduction or withholding or, as the case may be, to retain out of sums received by it an amount sufficient to discharge any liability to tax which relates to sums so received or distributed or to discharge any such other liability of the Trustee to tax from the funds held by the Trustee upon the trusts of this Trust Deed.

Liability: The Trustee shall not be liable to any person for any matter or thing done or omitted in any way in connection with or in relation to this Trust Deed or the Bonds save in relation to its own gross negligence, wilful willful default or fraud. This Clause 7.1.8 shall survive the termination or expiry of this Trust Deed or the removal or termination of the Trustee.

Force Majeure: The Trustee shall not be liable for any failure or delay in the performance of its obligations under this Trust Deed or any other Bond Document because of circumstances beyond such Trustee's control, including, without limitation, acts of God, flood, war (whether declared or undeclared), terrorism, fire, riot, embargo, labour disputes, any laws, ordinances, regulations or the like which restrict or prohibit the performance of the obligations contemplated by this Trust Deed or any other Bond Document, inability to obtain or the failure of equipment, or interruption of communications or computer facilities, and other causes beyond such Trustee's control whether or not of the same class or kind as specifically named above.

Immunities: The Trustee's immunities and protections from liability and its right to indemnification in connection with the performance of its duties under this Trust Deed shall extend to the Trustee's officers, directors and employees. Such immunities and protections and right to indemnification, together with the Trustee's right to compensation, shall survive the Trustee's resignation or removal, the defeasance or discharge of this Trust Deed and final payment of the Bonds. The Issuer acknowledges that in any proceedings taken in relation to this Trust Deed, it will not be entitled to claim for itself or any of its assets immunity from suit, execution, attachment or other legal process.

Professional charges: any trustee being a banker, lawyer, broker or other person engaged in any profession or business shall be entitled to charge and be paid all usual professional and other charges for business transacted and acts done by him or his partner or firm on matters arising in connection with the 1 A AUG 2025 trusts of this Trust Deed and also his properly incurred charges in addition to disbursements for all other

Expenditure by the Trustee: nothing contained in this Trust Deed shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of its duties or the exercise of any right, power, authority or discretion hereunder if it has grounds for believing the repayment of such funds or adequate indemnity against, or security for, such risk or liability is not reasonably assured to it;

Trustee may enter into financial transactions with the Issuer: no Trustee and no director or officer of any corporation being a Trustee hereof shall by reason of the fiduciary position of such Trustee be in any way precluded from making any contracts or entering into any transactions in the ordinary course of business with the Issuer or any Subsidiary, or any person or body corporate directly or indirectly associated with the Issuer or any Subsidiary, or from accepting the trusteeship of any other debenture stock, debentures or securities of the Issuer or any Subsidiary or any person or body corporate directly or indirectly associated with the Issuer or any Subsidiary, and neither the Trustee nor any such director or officer shall be accountable to the Bondholders or the Issuer or any Subsidiary, or any person or body corporate directly or indirectly associated with the Issuer or any Subsidiary, for any profit, fees, commissions, coupon, discounts or share of brokerage earned, arising or resulting from any such contracts or transactions and the Trustee and any such director or officer shall also be at liberty to retain the same for its or his own benefit;

Trustee Liability: The Trustee shall not be liable to any person for any matter or thing done or omitted in any way in connection with or in relation to this Trust Deed or the Bonds save in relation to its own gross negligence, wilful default or fraud; and

Right to Sue: The Trustee may sue and may be sued on behalf of the Bondholders.

Trustee's powers and duties

Applicable Law: Notwithstanding anything contained in this Trust Deed the Trustee shall have all such responsibility as set out in the applicable law including but is not limited to Rules;

Act for Bondholders: Subject to applicable law and terms and conditions of this Trust Deed, the Trustee shall act on behalf and for the exclusive interest of the Bondholders;

Monitoring: Trustee shall ensure that Issuer is observing the applicable law for the Bonds and the terms and conditions of the Bond Documents. As soon as the Trustee is aware of any breach by the Issuer it shall immediately inform the Bondholders and the Issuer of such breach;

Report to BSEC: Trustee shall submit an annual compliance report to the BSEC on the activities of the Issuer including repayment of dues to the Bondholders. When Trustee shall submit such report to the BSEC it shall provide copy to the Issuer and the Bondholders;

Grievances of the Bondholders: Upon receipt of a complaint from the Bondholders Trustee shall take necessary steps for redress of grievances of the Bondholders within one month of the date of receipt of the complaints and he shall keep the BSEC and the Issuer informed about the number, nature and other particulars of the complaints received and the manner in which such complaints have been redressed;

Trustee's determination: The Trustee may determine whether or not a default in the performance or observance by the Issuer of any obligation under the provisions of this Trust Deed or contained in the

Bonds is capable of remedy and if the Trustee shall certify that any such default is, in its opinion, not capable of remedy, such certificate shall be conclusive and binding upon the Issuer and the Bondholders;

Default Coupon Rate and delay in payment: If the Trustee determines a default is capable of remedy or any delay by the Issuer in payment and/or repayment of the Bonds, is approved by the trustee for a certain period upon any reasonable grounds, the Trustee shall ensure payment of such dues within the approved delayed period along with Coupon Rate for the delay period at the Default Coupon Rate above the Coupon Rate under the Bonds;

Determination of questions: the Trustee as between itself and the Bondholders shall have full power to determine all questions and doubts arising in relation to any of the provisions of this Trust Deed and every such determination, whether made upon a question actually raised or implied in the acts or proceedings of the Trustee, shall be conclusive and shall bind the Trustee and the Bondholders;

Trustee's discretion: the Trustee shall (save as expressly otherwise provided herein) as regards all the trusts, powers, authorities and discretions vested in it by this Trust Deed or by operation of law, have absolute and uncontrolled discretion as to the exercise or non-exercise thereof and the Trustee shall not be responsible for any Liability that may result from the exercise or non-exercise thereof (save as otherwise provided by applicable law) but whenever the Trustee is under the provisions of this Trust Deed bound to act at the request or direction of the Bondholders, the Trustee shall nevertheless not be so bound unless first indemnified and/or provided with security to its satisfaction against all actions, proceedings, claims and demands to which it may render itself liable and all costs, charges, damages, expenses and liabilities which it may incur by so doing;

*Trustee's consent*: any consent given by the Trustee for the purposes of this Trust Deed may be given on such terms and subject to such conditions (if any) as the Trustee may require;

Application of proceeds: the Trustee shall not be responsible for the receipt or application by the Issuer of the proceeds of the issue of the Bonds;

Error of judgment: the Trustee shall not be liable for any error of judgment made in good faith applying due diligence and without negligence by any officer or employee of the Trustee assigned by the Trustee to administer its corporate trust matters, save in relation to its own gross negligence, wilful default or fraud;

Agents: Subject to the provisions of the Trust Act 1882 and Bangladesh Securities and Exchange Commission (Debt Securities) Rules 2021, the Trustee may, in the conduct of the trusts of this Trust Deed instead of acting personally, employ and pay an agent on any terms, whether or not a lawyer or other professional person, to transact or conduct, or concur in transacting or conducting, any business and to do or concur in doing all acts required to be done by the Trustee (including the receipt and payment of money) with the consent of Issuer and the Trustee shall not be responsible for any loss, liability, expense, demand, cost, claim or proceedings incurred by reason of the misconduct, omission or default on the part of any person appointed by it hereunder or be bound to supervise the proceedings or acts of any such person provided that the Trustee had exercised reasonable care in the appointment of such person;

Confidential information: the Trustee shall not (unless required by law or ordered so to do by a court of competent jurisdiction) be required to disclose to any Bondholder confidential information or other information made available to the Trustee by the Issuer in connection with this Trust Deed and no Bondholder shall be entitled to take any action to obtain from the Trustee any such information;

Determination of Coupon Rate: the Trustee shall determine Applicable Coupon Rate in accordance with Condition of the Bond;

Rating Trigger: in case a downgrade of credit rating (i.e. below the rating trigger) of the Issue under surveillance rating, the Trustee shall ensure the collection of Risk Premium from the Issuer or originator for the Bondholders/beneficiaries as per declaration in this Trust deed or IM, aimed at securing the lender claims from the borrower's higher risk level.

#### Exercise of Discretion

Notwithstanding anything in this Trust Deed to the contrary, the Trustee shall not be obliged to exercise or consider exercising any discretion or consider making or make any determination (including, without limitation, any determination as to whether any fact or circumstance or activity or thing is material or substantial or complies with some such similar quantitative standard) or to consider taking or take any action whatsoever in connection with or under or pursuant to the Bonds unless directed to do so by the holders of not less than  $66^2/_3$ percent in principal amount of the Bonds then outstanding or if so directed by an Extraordinary Resolution of Bondholders (subject in all cases to the Trustee having been indemnified or provided with security to its satisfaction and otherwise being satisfied that it is lawful for it to so exercise discretion, make a determination or otherwise take any action). Such direction shall specify the way in which the Trustee shall exercise such discretion or, as the case may be, make the determination or take the action to be taken by the Trustee.

The Trustee will not be responsible for any loss, expense, damage, claim, cost, charge or liability which may be suffered as a result of any exercise or non-exercise of a discretion or the making or failure to make any determination or the taking or failure to take any action by the Trustee, acting on the directions of the Bondholders as aforesaid or pending the provision of such a direction.

#### Trustee FEE

#### Remuneration

Remuneration: The Issuer shall pay to the Trustee remuneration as set out in the Fee Letter for its services as trustee as from the date of this Trust Deed. Such remuneration shall be payable in advance on the anniversary of the date hereof in each year and the first payment shall be made on the date hereof. Such remuneration shall be paid upfront and non-refundable. Such remuneration shall accrue from day to day and be payable (in priority to payments to the Bondholders) up to and including the date when, all the Bonds having become due for redemption, the redemption moneys and coupon thereon to the date of redemption have been paid to the Trustee, provided that if any cheque, payment of the moneys due in respect thereof is improperly withheld or refused, remuneration will commence again to accrue;

Extra Remuneration: In the event of the occurrence of a default or the Trustee (after prior approval from the Issuer to the extent reasonably practicable in the circumstances) considering it expedient or necessary or being requested by the Issuer to undertake duties which the Trustee and the Issuer agree to be of an exceptional nature or otherwise outside the scope of the normal duties of the Trustee under this Trust Deed, the Issuer shall pay to the Trustee such additional remuneration as shall be agreed between them;

Expenses: The Issuer shall also pay or discharge all costs, charges and expenses incurred by the Trustee with prior consent from Issuer in relation to the preparation and execution of, the exercise of its powers and the performance of its duties under, and in any other manner in relation to, this Trust Deed, including but not limited to any stamp, issue, registration, regulatory fees, annual fees, documentary and other taxes or duties paid or payable by the Trustee in connection with any action taken or contemplated by or on behalf of the Trustee for enforcing, or resolving any doubt concerning, or for any other purpose in relation to, this Trust Deed;

# Independent Auditor's Report To the Shareholders of United Commercial Bank PLC

#### Report on the Audit of the Consolidated and Separate Financial Statements

#### **Qualified Opinion**

We have audited the consolidated financial statements of United Commercial Bank PLC and its subsidiaries (the "Group") as well as the separate financial statements of United Commercial Bank PLC (the "Bank"), which comprise the consolidated and separate balance sheets as at 31 December 2024 and the consolidated and separate profit and loss accounts, consolidated and separate statements of changes in equity and consolidated and separate cash flow statements for the year then ended, and notes to the consolidated and separate financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion, except for the effects of the matters described in the "Basis for Qualified Opinion" section of our report, the accompanying consolidated financial statements of the Group and separate financial statements of the Bank give a true and fair view of the consolidated financial position of the Group and the separate financial position of the Bank as at 31 December 2024, and of its consolidated and separate financial performance and its consolidated and separate cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) as explained in note no. 2.1.

#### **Basis for Qualified Opinion**

- i) As on 31 December 2024 the Bank's total loans and advances is Tk. 57,282.89 crore, which includes classified loans and advances amounting to Tk. 8,534.40 crore. Required provision for these classified loans and advances amount to Tk. 6,055.12 crore against which the bank has provided Tk. 2,705.62 crore only. Thus, an amount of Tk. 3,349.51 crore has remained short in the provision for the said classified loans and advances.
  - ii) As disclosed in note # 4.1 to the financial statements, the Bank has fixed deposits of Taka 155.48 crore in different Non-Bank Financial Institutes (NBFIs) which became matured long ago but are doubtful of recovery. The provision requirement of the said FDRs is Taka 155.48 crore, but the bank has not maintained any provision for those FDRs as at 31 December 2024, thus there is short of provision of Taka 155.48 crore.
  - iii) As disclosed in notes # 9 and 9.6 to the financial statements, the provision shortfall of other assets is Taka 391.27 crore which includes the impairment loss of UCB Fintech Company Limited, a subsidiary Company of United Commercial Bank PLC and commonly known as UPAY, for Taka 389.40 crore. The Bank holds 99.99% of the shares of the Company. As on 31 December 2024, the Company has incurred cumulative loss of Taka 389.40 crore, but the Bank has not accounted for the impairment loss in its financial statements on solo basis.

However, Bangladesh Bank vide their letter # DOS(CAMS)1157/41(Dividend)/2025-3111 dated 21 May 2025 has allowed the bank to finalize its financial statements for the year ended 31 December 2024 without adjusting the total shortfall amount of Taka 3,896.26 crore as stated above.

- 2. i) As per section 13 (2) of the Bank Company Act 1991 (amended in 2023) and BRPD circular no.18 dated 21 December 2014 to fulfil the Basel-III requirement, the required capital as on 31 December 2024 at Tk. 6,358.78 crore against which the bank's recorded capital is Tk. 5,385.90 crore. Thus, the bank's reported capital shortfall is Tk. 972.87 crore as on the balance sheet date. If the shortfall in provision of Tk. 3,896.26 crore as stated in para 1 above is considered, the capital shortfall of the Bank would have been Tk 3,613.06 crore.
  - As per Section 13(2) of the Bank Company Act 1991 (amended in 2023), BRPD Circular No. 35 dated 29 December 2010, and BRPD Circular No. 18 dated 21 December 2014 to fulfil the Basel-III requirement, the required Capital Adequacy Ratio (CRAR) of the Bank should have been 12.5% (including buffer) of Risk Weighted Assets but the Bank's reported CRAR is 10.59% approximately. If there were no forbearance from Bangladesh Bank and the shortfalfs in provisions mentioned in this audit report were considered, as on 31 December 2024, the aggregated loss of the bank would have been Taka 2,009.42 crore and CRAR would have been 5.40% on solo basis.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated and Separate Financial Statements section of our report. We are independent of the Group and the Bank in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), guidelines issued by Bangladesh Bank, and rules and regulations issued by Bangladesh Securities and Exchange Commission (BSEC), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code and the Institute of Chartered Accountants of Bangladesh (ICAB) Bye-Laws. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

#### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Except for the matters described in the Basis for Qualified Opinion section, we have determined the matters described below to be the key audit matters to be communicated in our report.

#### Description of key audit matters

#### Our response to key audit matters

#### 1. Recognition of interest income from loans and advances

Refer to note no. 7 and 21 to the consolidated and separate financial statements

Recognition of interest income has significant and wide influence on financial statements.

Recognition and measurement of interest income has involvement of complex IT environment. We tested the design and operating effectiveness of key controls over recognition and measurement of interest from loans and advances.

We have performed test of operating effectiveness on automated control in place to measure and recognize interest income.

We have identified recognition of interest income from loans and advances as a key audit matter because this is one of the key performance indicators of the Bank and therefore there is an inherent risk of fraud and error in recognition of interest by management to meet specific targets or expectations.

At the year ended 2024, the Group and the Bank reported total gross interest income from loans and advances of BDT 55,652 million (January 2023 to December 2023: BDT 37,414 million) and BDT 55,437 million (January 2023 to December 2023: BDT 36,768 million) respectively.

We have also performed substantive procedure to check whether interest income is recognized completely and accurately.

We have assessed the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank quidelines.

# 2. Impairment assessment of unquoted shares

Refer to note no. 6.3(C) to the consolidated and separate financial statements and para 1.iii of our basis for adverse opinion section

3

In the absence of quoted price in an active market, the fair value of unquoted shares and securities, especially any impairment is calculated using valuation techniques which may take into consideration direct or indirect

We assessed the process and controls put in place by the Bank to ensure all major investment decisions are undertaken through a proper due diligence process.

unobservable market data and hence requires an elevated level of judgement and assumption.	We have tested a sample of investment valuation as at 31 December 2024 and compared our results to the recorded value.	
Due to high level of judgment and assumption involved in evaluating the impairment assessment of unquoted shares, we considered this to be a key audit matter.	Finally, we have assessed the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines. The impairment assessment and recognition was properly done for all shares except for the impairment loss of UCB Fintech Company Limited, commonly known as UPAY is a subsidiary Company of United Commercial Bank PLC.	

# Valuation of treasury bills and treasury bonds

Refer to note no. 6a and 6.1 to the consolidated and separate financial statements

The classification and measurement of treasury bills (T-Bills) and treasury bonds (T-Bonds) require judgment and complex estimates.

In the absence of a quoted price in an active market, the fair value of T-Bills and T-Bonds is determined using complex valuation techniques which may take into consideration direct or indirect unobservable market data and complex pricing models which require an elevated level of judgment.

We assessed the processes and controls put in place by the Bank to identify and confirm the existence of treasury bills and treasury bonds.

obtained an have understanding, evaluated the design and tested the operating effectiveness of the key controls over the treasury bills and treasury bonds valuation processes, including controls over market data inputs into valuation models, governance, and valuation adjustments.

We have tested a sample of the valuation models and the inputs used in those models, using a variety of techniques, including comparing inputs to available market data.

Finally, we have assessed the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines.

#### 4. Deferred tax assets

Refer to note no. 9.2 to the consolidated and separate financial statements

As at 31 December 2024 the Group and the Bank reported net deferred tax assets of BDT 8,742 million (December 2023: BDT 5,965 million) and BDT 8,740 million (December 2023: BDT 5,964 million) respectively.

Significant judgment is required in relation to measurement of deferred tax assets as their recoverability is dependent on forecasts of future profitability over a number of years.

We obtained an understanding, evaluated the tested the and effectiveness of the Bank's key controls over the recognition and measurement of deferred tax assets and the assumptions used in estimating the Group and the Bank's future taxable income.

We have assessed the completeness and accuracy of the data used for the estimations of future taxable income.

We have involved tax specialist to assess key assumptions, controls, recognition and measurement of deferred tax assets.

Finally, we have assessed the appropriateness and presentation of disclosures against IAS 12: Income Taxes.

#### 5. Legal and regulatory matter

We focused on this area because the Bank and its subsidiaries (the "Group") operates in a legal and regulatory environment that is exposed to significant litigation and similar risks arising from disputes and regulatory proceedings. Such matters are subject to many uncertainties and the outcome may be difficult to predict.

These uncertainties inherently affect the amount and timing of potential outflows with respect to the provisions which have been established and other contingent liabilities.

Overall, the legal provision represents the Group's best estimation for existing legal matters that have a probable and estimable impact on the Group's financial position.

We obtained an understanding, evaluated the design and tested the operational effectiveness of the Group and Bank's key controls over the legal provision and contingency processes.

We enquired those charged with governance to obtain their views on the status of all significant litigation and regulatory matters.

We enquired of the Group and the Bank's internal legal counsel for all significant litigation and regulatory matters and inspected internal notes and reports. We also received formal confirmations from external counsel.

We assessed the methodologies on which the provision amounts are based, recalculated the provisions, and tested the completeness and accuracy of the underlying information.

We also assessed the Group and the Bank's provisions and contingent liabilities disclosure.

#### Description of key audit matters

#### Our response to key audit matters

#### IT systems and controls

Our audit procedures have focused on IT systems and controls due to the pervasive nature and complexity of the IT environment, the large volume of transactions processed in numerous locations daily and the reliance on automated and IT dependent manual controls.

Our areas of audit focus included master data management, user access management and production developer access to the environment and changes to environment. Among others, these are key to ensuring operating effectiveness of IT dependent application-based controls.

We tested the design and operating effectiveness of the Group and the Bank's IT access controls over the information systems that are critical to financial reporting. We tested IT general controls (logical access, changes management and aspects of IT operational controls). This included testing that requests for access to systems were appropriately reviewed and authorized.

We tested the Group and the Bank's periodic review of access rights. We also inspected requests of changes to systems for appropriate approval and authorization. We considered the control environment relating to various interfaces, configuration and other application layer controls identified as key to our audit.

Where deficiencies were identified, we tested compensating controls or performed alternate procedures. In addition, we understood where relevant, changes were made to the IT landscape during the audit period and tested those changes that had a significant impact on financial reporting.

#### Other Matter

In accordance with IAS 24 Related Party Disclosures, the bank is required to disclose information regarding related party relationships, transactions, and outstanding balances. The management has stated in the financial statements that there are no related party disclosures other than those presented in the accompanying notes no 49.4.

#### Other Information

Management is responsible for the other information. The other information comprises all of the information in the annual report other than the consolidated and separate financial statements and our auditor's report thereon. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated and separate financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the consolidated and separate financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated and separate financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, on the other information obtained prior to the date of this audit report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

#### Responsibilities of Management and those Charged with Governance for the Consolidated and Separate Financial Statements and Internal Controls

Management is responsible for the preparation and fair presentation of the consolidated financial statements of the Group and also separate financial statements of the Bank in accordance with IFRSs as explained in note no. 2.1, and for such internal control as management determines is necessary to enable the preparation of consolidated and separate financial statements that are free from material misstatement, whether due to fraud or error. The Bank Company Act, 1991 (as amended up to date) and the Bangladesh Bank regulations require the Management to ensure effective internal audit, internal control and risk management functions of the Group and the Bank. The management is also required to make a self-assessment on the effectiveness of anti-fraud internal controls and report to Bangladesh Bank on instances of fraud and forgeries.

In preparing the consolidated and separate financial statements, management is responsible for assessing the Group's and the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group and the Bank or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's and the Bank's financial reporting process.

#### Auditor's Responsibilities for the Audit of the Consolidated and Separate Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated and separate financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or considered material if, individually or in the aggregate, they could reasonably error and are be expected to influence the economic decisions of users taken on the basis of these consolidated and separate financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

Identify and assess the risks of material misstatement of the consolidated and separate financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement

resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's and Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated and separate financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated and separate financial statements, including the disclosures, and whether the consolidated and separate financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the Group to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated and separate financial statements of the current period and are therefore the key audit matters which have been duly described in the basis for qualified opinion and the key audit matter section. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

### SECTION 17: LATEST DEFAULT MATRIX AND TRANSITION STATISTICS OF CRC

### **ECRL Default Studies**

### Definition

The default rate is defined as the number of defaulters among rated corporates in a year or number of years analyzed, expressed as a percentage of the total number of outstanding ratings at the beginning of the year. Rating withdrawals are removed from the default rate calculation as corporates who have their ratings withdrawn are no longer at risk of default over the measurement period. It is also important to note that this study is conducted based on the actual historical default experience of entities rated by ECRL.

### Methodology

Default rating is applicable if an entity has entered into bankruptcy, liquidation, receivership, administration or any other winding-up procedure. For Bank Loan Rating, please consider following steps:

- . Bank Loan performance: Consider entity's bank loan performance in the last three years particularly last one year.
- If loan classification of any entity is Bad/ loss (BL) the entity will be classified as Default (D), irrespective of the score obtained.
- In case of BL if the company is in the process of rescheduling loan as per relevant guidelines issued by Bangladesh Bank then ECRL will consider the merit of the application and award grade under the assumption that the loan rescheduled. In addition if a single installment which is not significant compared to the issuer's debt portfolio is BL for any technical reason eg: for claiming subsidy or for legal dispute ECRL shall consider the overall loan repayment capability and ward the grade.

### ECRL Default Studies 2023

The average all corporate default rate (long term) from 2011 to 2023 was 0.1%. There was no official correspondence from the bank or from regulatory authority regarding default in 2023 as a result none of the corporate rating was declared as default in this period. Besides, all corporate cumulative (10 years) default rate by rating band was 0.2% where high grade (AAA, AA & A ratings) cumulative (10 years) default rate was 0.1% as opposed to 0.2% default rate of high yield (BBB, BB, B & C ratings).

### Default Summary by Rating Category

Rates Rates

### **ECRL Transition Matrix**

### Definition

A transition matrix, based on historical data, reflects the probabilities of transitions between different credit ratings over a specified time period, capturing the likelihood of a credit rating migrating from one category to another or remaining the same. Transition metrics show the percentage of rating changes relative to the total rated entities for a particular period, indicating upward or downward movements in the rating scale. These metrics are useful for managing credit risks, structuring and pricing debt, and assessing the accuracy of rating agencies in forecasting default probabilities.

### Methodology

This analysis compares issuer ratings at the beginning of the time period (January 1) with ratings at the end of the period (December 31). An issuer that remains rated for more than one year will continue to be captured year-in, year-out as long as it has not been withdrawn from the rating universe. For example, if ECRL Ratings began rating one issuer in 2018 and if its issue had not been withdrawn from the universe until the end of 2023, then this issuer would appear in 5 consecutive 1-year transition tables from 2018 to 2023. If the rating of the issuer was withdrawn in 2023, it would be categorised as withdrawn in the 1-year transition table for 2023 and excluded from the 1-year transition tables from 2024 onwards. This is the same for a default.

### ECRL Transition Matrix 2023

Over the long term (2011–2023), 99.0% of ECRL Ratings' AAA rated corporates maintained their ratings at the end of one year, contrasting with the lower figure of 88.1% for BB rated corporates. This underscores the strong positive correlation between the ratings assigned to investment-grade corporates and the long-term stability. Similarly, for the one-year ratings transition in 2023, higher credit ratings such as A and above demonstrated a consistent trend of lower likelihood of rating migration.

### **Independent Auditor's Report** To the Shareholders of United Commercial Bank PLC

### Report on the Audit of the Consolidated and Separate Financial Statements

### **Qualified Opinion**

We have audited the consolidated financial statements of United Commercial Bank PLC and its subsidiaries (the "Group") as well as the separate financial statements of United Commercial Bank PLC (the "Bank"), which comprise the consolidated and separate balance sheets as at 31 December 2024 and the consolidated and separate profit and loss accounts, consolidated and separate statements of changes in equity and consolidated and separate cash flow statements for the year then ended, and notes to the consolidated and separate financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion, except for the effects of the matters described in the "Basis for Qualified Opinion" section of our report, the accompanying consolidated financial statements of the Group and separate financial statements of the Bank give a true and fair view of the consolidated financial position of the Group and the separate financial position of the Bank as at 31 December 2024, and of its consolidated and separate financial performance and its consolidated and separate cash flows for the year then ended in accordance with International Financial Reporting Standards (IFRSs) as explained in note no. 2.1.

### **Basis for Qualified Opinion**

- As on 31 December 2024 the Bank's total loans and advances is Tk. 57,282.89 crore, which includes classified loans and advances amounting to Tk, 8,534,40 crore, Required provision for these classified loans and advances amount to Tk. 6,055.12 crore against which the bank has provided Tk. 2,705.62 crore only. Thus, an amount of Tk. 3,349.51 crore has remained short in the provision for the said classified loans and advances.
  - ii) As disclosed in note # 4.1 to the financial statements, the Bank has fixed deposits of Taka 155.48 crore in different Non-Bank Financial Institutes (NBFIs) which became matured long ago but are doubtful of recovery. The provision requirement of the said FDRs is Taka 155,48 crore, but the bank has not maintained any provision for those FDRs as at 31 December 2024, thus there is short of provision of Taka 155.48 crore.
  - iii) As disclosed in notes # 9 and 9.6 to the financial statements, the provision shortfall of other assets is Taka 391.27 crore which includes the impairment loss of UCB Fintech Company Limited, a subsidiary Company of United Commercial Bank PLC and commonly known as UPAY, for Taka 389.40 crore. The Bank holds 99.99% of the shares of the Company. As on 31 December 2024, the Company has incurred cumulative loss of Taka 389.40 crore, but the Bank has not accounted for the impairment loss in its financial statements on solo basis.

However, Bangladesh Bank vide their letter # DOS(CAMS)1157/41(Dividend)/2025-3111 dated 21 May 2025 has allowed the bank to finalize its financial statements for the year ended 31 December 2024 without adjusting the total shortfall amount of Taka 3,896.26 crore as stated above.

- 2. i) As per section 13 (2) of the Bank Company Act 1991 (amended in 2023) and BRPD circular no.18 dated 21 December 2014 to fulfil the Basel-III requirement, the required capital as on 31 December 2024 at Tk. 6,358.78 crore against which the bank's recorded capital is Tk. 5,385.90 crore. Thus, the bank's reported capital shortfall is Tk. 972.87 crore as on the balance sheet date. If the shortfall in provision of Tk. 3,896.26 crore as stated in para 1 above is considered, the capital shortfall of the Bank would have been Tk 3,613.06 crore.
  - ii) As per Section 13(2) of the Bank Company Act 1991 (amended in 2023), BRPD Circular No. 35 dated 29 December 2010, and BRPD Circular No. 18 dated 21 December 2014 to fulfil the Basel-III requirement, the required Capital Adequacy Ratio (CRAR) of the Bank should have been 12.5% (including buffer) of Risk Weighted Assets but the Bank's reported CRAR is 10.59% approximately. If there were no forbearance from Bangladesh Bank and the shortfalls in provisions mentioned in this audit report were considered, as on 31 December 2024, the aggregated loss of the bank would have been Taka 2,009.42 crore and CRAR would have been 5.40% on solo basis.

We conducted our audit in accordance with International Standards on Auditing (ISAs). Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated and Separate Financial Statements section of our report. We are independent of the Group and the Bank in accordance with the International Ethics Standards Board for Accountants' Code of Ethics for Professional Accountants (IESBA Code), guidelines issued by Bangladesh Bank, and rules and regulations issued by Bangladesh Securities and Exchange Commission (BSEC), and we have fulfilled our other ethical responsibilities in accordance with the IESBA Code and the Institute of Chartered Accountants of Bangladesh (ICAB) Bye-Laws. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

### **Key Audit Matters**

Key audit matters are those matters that, in our professional judgment, were of most significance in our audit of the financial statements of the current period. These matters were addressed in the context of our audit of the financial statements as a whole, and in forming our opinion thereon, and we do not provide a separate opinion on these matters. Except for the matters described in the Basis for Qualified Opinion section, we have determined the matters described below to be the key audit matters to be communicated in our report.

### Description of key audit matters

### Our response to key audit matters

### 1. Recognition of interest income from loans and advances

Refer to note no. 7 and 21 to the consolidated and separate financial statements

Recognition of interest income has significant and wide influence on financial statements.

Recognition and measurement of interest income has involvement of complex IT environment.

We tested the design and operating effectiveness of key controls over recognition and measurement of interest from loans and advances.

We have performed test of operating effectiveness on automated control in place to measure and recognize interest income.

We have identified recognition of interest income from loans and advances as a key audit matter because this is one of the key performance indicators of the Bank and therefore there is an inherent risk of fraud and error in recognition of interest by management to meet specific targets or expectations.

At the year ended 2024, the Group and the Bank reported total gross interest income from loans and advances of BDT 55,652 million (January 2023 to December 2023: BDT 37,414 million) and BDT 55,437 million (January 2023 to December 2023: BDT 36,768 million) respectively.

performed substantive We have also procedure to check whether interest income is recognized completely and accurately.

We have assessed the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank quidelines.

### 2. Impairment assessment of unquoted shares

Refer to note no. 6.3(C) to the consolidated and separate financial statements and para 1.iii of our basis for adverse opinion section

In the absence of quoted price in an active market, the fair value of unquoted shares and securities, especially any impairment is calculated using valuation techniques which may take into consideration direct or indirect

We assessed the process and controls put in place by the Bank to ensure all major investment decisions are undertaken through a proper due diligence process.

unobservable market data and hence requires an elevated level of judgement and assumption.	We have tested a sample of investment valuation as at 31 December 2024 and compared our results to the recorded value.
Due to high level of judgment and assumption involved in evaluating the impairment assessment of unquoted shares, we considered this to be a key audit matter.	Finally, we have assessed the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines. The impairment assessment and recognition was properly done for all shares except for the impairment loss of UCB Fintech Company Limited, commonly known as UPAY is a subsidiary Company of United Commercial Bank PLC.

Refer to note no. 6a and 6.1 to the consolidated and separate financial statements

The classification and measurement of treasury

The classification and measurement of treasury bills (T-Bills) and treasury bonds (T-Bonds) require judgment and complex estimates.

In the absence of a quoted price in an active market, the fair value of T-Bills and T-Bonds is determined using complex valuation techniques which may take into consideration direct or indirect unobservable market data and complex pricing models which require an elevated level of judgment.

We assessed the processes and controls put in place by the Bank to identify and confirm the existence of treasury bills and treasury bonds.

We have obtained an understanding, evaluated the design and tested the operating effectiveness of the key controls over the treasury bills and treasury bonds valuation processes, including controls over market data inputs into valuation models, model governance, and valuation adjustments.

We have tested a sample of the valuation models and the inputs used in those models, using a variety of techniques, including comparing inputs to available market data.

Finally, we have assessed the appropriateness and presentation of disclosures against relevant accounting standards and Bangladesh Bank guidelines.

### Description of key audit matters

### 4. Deferred tax assets

Refer to note no. 9.2 to the consolidated and separate financial statements

As at 31 December 2024 the Group and the Bank reported net deferred tax assets of BDT 8,742 million (December 2023: BDT 5,965 million) and BDT 8,740 million (December 2023: BDT 5,964 million) respectively.

Significant judgment is required in relation to measurement of deferred tax assets as their recoverability is dependent on forecasts of future profitability over a number of years.

We obtained an understanding, evaluated the tested the operational design and effectiveness of the Bank's key controls over the recognition and measurement of deferred tax assets and the assumptions used in estimating the Group and the Bank's future taxable income.

We have assessed the completeness and accuracy of the data used for the estimations of future taxable income.

We have involved tax specialist to assess key assumptions, controls, recognition and measurement of deferred tax assets.

Finally, we have assessed the appropriateness and presentation of disclosures against IAS 12: Income Taxes.

### 5. Legal and regulatory matter

We focused on this area because the Bank and its subsidiaries (the "Group") operates in a legal and regulatory environment that is exposed to significant litigation and similar risks arising from disputes and regulatory proceedings. Such matters are subject to many uncertainties and the outcome may be difficult to predict.

These uncertainties inherently affect the amount and timing of potential outflows with respect to the provisions which have been established and other contingent liabilities.

Overall, the legal provision represents the Group's best estimation for existing legal matters that have a probable and estimable impact on the Group's financial position.

We obtained an understanding, evaluated the operational design and tested the effectiveness of the Group and Bank's key controls over the legal provision and contingency processes.

We enquired those charged with governance to obtain their views on the status of all significant litigation and regulatory matters.

We enquired of the Group and the Bank's internal legal counsel for all significant litigation and regulatory matters and inspected internal notes and reports. We also received formal confirmations from external counsel.

We assessed the methodologies on which the provision amounts are based, recalculated the provisions, and tested the completeness and accuracy of the underlying information.

We also assessed the Group and the Bank's provisions and contingent liabilities disclosure.

### Description of key audit matters

### Our response to key audit matters

### 6. IT systems and controls

Our audit procedures have focused on IT systems and controls due to the pervasive nature and complexity of the IT environment, the large volume of transactions processed in numerous locations daily and the reliance on automated and IT dependent manual controls.

Our areas of audit focus included master data management, user access management and developer access the production to environment and changes the to IT environment. Among others, these are key to operating effectiveness dependent application-based controls.

We tested the design and operating effectiveness of the Group and the Bank's IT access controls over the information systems that are critical to financial reporting. We tested IT general controls (logical access, changes management and aspects of IT operational controls). This included testing that requests for access to systems were appropriately reviewed and authorized.

We tested the Group and the Bank's periodic review of access rights. We also inspected requests of changes to systems appropriate approval and authorization. We considered the control environment relating to various interfaces, configuration and other application layer controls identified as key to our audit.

Where deficiencies were identified, we tested compensating controls or performed alternate procedures. In addition, we understood where relevant, changes were made to the IT landscape during the audit period and tested those changes that had a significant impact on financial reporting.

### Other Matter

In accordance with IAS 24 Related Party Disclosures, the bank is required to disclose information regarding related party relationships, transactions, and outstanding balances. The management has stated in the financial statements that there are no related party disclosures other than those presented in the accompanying notes no 49.4.

### Other Information

Management is responsible for the other information. The other information comprises all of the information in the annual report other than the consolidated and separate financial statements and our auditor's report thereon. The annual report is expected to be made available to us after the date of this auditor's report.

Our opinion on the consolidated and separate financial statements does not cover the other information and we do not express any form of assurance conclusion thereon.

Managing Director & CEO Nasimul Baten

Company Secretary (Acting) United Commercial Bank PLC

uk Ahammad. F Deputy Managing Director & CFO United Commercial Bank PLC Mohammad Mamdudur Rashid Managing Director & CEO United Commercial Bank PLC

In connection with our audit of the consolidated and separate financial statements, our responsibility is to read the other information identified above when it becomes available and, in doing so, consider whether the other information is materially inconsistent with the consolidated and separate financial statements or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed, on the other information obtained prior to the date of this audit report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

### Responsibilities of Management and those Charged with Governance for the Consolidated and Separate Financial Statements and Internal Controls

Management is responsible for the preparation and fair presentation of the consolidated financial statements of the Group and also separate financial statements of the Bank in accordance with IFRSs as explained in note no. 2.1, and for such internal control as management determines is necessary to enable the preparation of consolidated and separate financial statements that are free from material misstatement, whether due to fraud or error. The Bank Company Act, 1991 (as amended up to date) and the Bangladesh Bank regulations require the Management to ensure effective internal audit, internal control and risk management functions of the Group and the Bank. The management is also required to make a self-assessment on the effectiveness of anti-fraud internal controls and report to Bangladesh Bank on instances of fraud and forgeries.

In preparing the consolidated and separate financial statements, management is responsible for assessing the Group's and the Bank's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Group and the Bank or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Group's and the Bank's financial reporting process.

### Auditor's Responsibilities for the Audit of the Consolidated and Separate Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated and separate financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated and separate financial statements.

As part of an audit in accordance with ISAs, we exercise professional judgement and maintain professional skepticism throughout the audit. We also:

• Identify and assess the risks of material misstatement of the consolidated and separate financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement.

- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Group's and Bank's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated and separate financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Group and the Bank to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated and separate financial statements, including the disclosures, and whether the consolidated and separate financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We are responsible for the direction, supervision and performance of the audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the consolidated and separate financial statements of the current period and are therefore the key audit matters which have been duly described in the basis for qualified opinion and the key audit matter section. We describe these matters in our auditor's report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

# United Commercial Bank PLC and its Subsidiaries Notes to the Financial Statements For the Year Ended 31 December 2024

#### 1. The Bank and Its Activities

#### 1.1 Status of the Bank

United Commercial Bank PLC ('UCB' or "the Bank") was incorporated in Bangladesh as a public limited company on 26 June 1983 under the Companies Act 1913. The Bank obtained approval from Bangladesh Bank to commence operations on 13 November 1983.

As of 31 December 2024, UCB operates:

- 231 branches (2023: 228), including one Islamic Banking branch that adheres to Islamic Shariah principles.
- 50 Islamic Banking windows within conventional branches, providing Islamic Banking services in compliance with Shariah principles.
- 177 sub-branches (2023: 152).
- 716 ATMs/CRMs (2023: 672).
- 855 agent banking outlets (2023: 850).

UCB is a publicly traded company listed on the Dhaka Stock Exchange (DSE) Limited and the Chittagong Stock Exchange (CSE) Limited. The Bank's Head office is located at: Plot – CWS-(A)-1, Gulshan Avenue, Dhaka – 1212, Bangladesh.

#### 1.2 Nature of Business

UCB is engaged in a full range of commercial and Islamic banking services across Bangladesh. The Bank serves both individual and corporate clients, offering:

- Traditional banking services, including deposit products, loans, trade finance, and treasury management.
- Islamic banking services, provided through its dedicated Islamic Banking branch and windows.
- · Transaction and foreign exchange services, catering to local and international clients.
- · Structured finance solutions for corporations and financial institutions.
- · Inland and international remittance services for individuals and businesses.
- Direct Custody and Clearing (DCC) services, introduced in 2020 for offshore clients.

#### 1.3 Offshore Banking Unit

The Offshore Banking Unit (OBU) operates as an independent business division of UCB under the regulatory framework set by Bangladesh Bank, as outlined in:

- Off-shore Banking Act, 2024.
- · BRPD Circular No. 02, dated 25 February 2019.
- FE Circular Letter No. 01, dated 18 March 2024.
- · Additional regulatory directives and guidelines.

The Bank received approval to establish its Offshore Banking Unit through Letter No. BRPD (P-3) 744 (117)/2010-2577, issued on 9 June 2010, and officially commenced operations on 10 November 2010.

Currently, UCB operates a single Offshore Banking Unit in Dhaka, which provides a comprehensive suite of foreign currency-based commercial banking services, ensuring full compliance with Bangladesh Bank regulations. The financial statements of the OBU are presented separately, maintaining transparency and regulatory adherence.

Innovations & Technological Advancements:

UCB's Agent Banking platform has introduced several cutting-edge features to enhance accessibility and customer convenience, including:

- Fully digital, paperless onboarding using e-KYC.
- Bangla QR code onboarding through agents.
- Branch-led business model to enhance customer engagement.
- "UPAY"-collaborated business initiatives, promoting digital financial inclusion.

These innovations underscore UCB's commitment to financial inclusion and delivering modern, accessible banking solutions across Bangladesh.

#### 1.6 Subsidiary Companies

A subsidiary is an entity over which UCB exercises control through its shareholding and voting rights. Control is established when the Bank holds more than 50% of a company's shares or has the power to govern its financial and operational policies.

**IFRS:** As per IAS 1, a complete set of financial statements comprises a statement of financial position, a statement of profit or loss and other comprehensive income, a statement of changes in equity, a statement of cash flows, notes comprising a summary of significant accounting policies and other explanatory information and comparative information. IAS 1 has also stated the entity to disclose assets and liabilities under current and noncurrent classification separately in its statement of financial position.

**Bangladesh Bank:** The presentation of the financial statements in prescribed format (i.e. balance sheet, profit and loss account, cash flow statement, statement of changes in equity, liquidity statement) and certain disclosures therein are guided by the "First Schedule" (section 38) of The Bank Company Act, 1991 (amendment up to date) and BRPD circular no. 14 dated 25 June 2003 and subsequent guidelines of Bangladesh Bank. In the prescribed format there is no option to present assets and liabilities under current and non-current classifications.

#### ii. Investment in Equity instrument

ACNABIN
Chartered Accountants

IFRS: As per requirements of IFRS 9, classification and measurement of investment in shares and securities will depend on how these are managed (the entity's business model) along with their contractual cash flow characteristics. Based on these factors it would generally fall either under 'at fair value through profit or loss account" or under 'at fair value through other comprehensive income' where any change in the fair value (as measured in accordance with IFRS 13) at the year-end is taken to profit and loss account or other comprehensive income respectively.

**Bangladesh Bank:** As per Banking Regulation and Policy Department (BRPD) circular no. 14 dated 25 June 2003, investments in quoted shares and unquoted shares are revalued at the year end at market price and as per book value of last audited balance sheet respectively. Provision should be made for any loss arising from diminution in value of investment; otherwise, investments are recognized at cost. UCB PLC recognizes investment in shares and securities at cost basis.

#### iii. Subsequent measurement of Government securities

IFRS: Debt instruments include both bonds and bills. As per requirements of IFRS 9 Financial Instruments, bonds can be categorized as "Amortized Cost (AC)", "Fair Value Through Profit or Loss (FVTPL)" or "Fair Value through Other Comprehensive Income (FVOCI)". Bonds designated as Amortized Cost are measured at amortized cost method and interest income is recognized through profit and loss account. Any changes in fair value of bonds designated as FVTPL is recognized in profit and loss account while changes in fair value of bonds designated as FVOCI is recognized in other reserve as a part of equity. As per requirements of IFRS 9, bills can be categorized either as "Fair Value Through Profit or Loss (FVTPL)" or "Fair Value through Other Comprehensive Income (FVOCI)". Any change in fair value of bills is recognized in profit and loss or other reserve as a part of equity respectively.

Bangladesh Bank: As per DOS Circular no. 05 (26 May 2008) and subsequent clarification in DOS Circular no 05 (28 January 2009), Government securities/bills are classified either into Held for Trading (HFT) or Held to Maturity (HTM). HFT securities are revalued on the basis of mark to market and at year end any gains on revaluation of securities which have not matured as at the balance sheet date are recognized in other reserves as a part of equity and any losses on revaluation of securities which have not matured as at the balance sheet date are charged in the profit and loss account. Interest on HFT securities including amortization of discount are recognized in the profit and loss account.

DBH Finance PLC.

HTM securities which have not matured as at the balance sheet date are amortized at the year end and only gains on amortization are recognized in other reserve as a part of equity.

#### iv. Repo and Reverse Repo transactions

**IFRS:** As per IFRS 9 when an entity sells a financial asset and simultaneously enters into an agreement to repurchase the asset (or a similar asset) at a fixed price on a future date (repo), the arrangement is treated as a loan and the underlying asset continues to be recognized at amortized cost in the entity's financial statements. The difference between selling price and repurchase price will be treated as interest expense. The same rule applies to the opposite side of the transaction (reverse repo).

**Bangladesh Bank:** As per DOS Circular letter no. 6 dated 15 July 2010 and subsequent clarification in DOS circular no.2 dated 23 January 2013, when a bank sells a financial asset and simultaneously enters into an agreement to repurchase the asset (or a similar asset) at a fixed price on a future date (repo or stock lending), the arrangement is accounted for as normal sales transactions and the financial assets are derecognized in the seller's book and recognized in the buyer's book.

However, as per DMD circular letter no.7 dated 29 July 2012, non-primary dealer banks are eligible to participate in the Assured Liquidity Support (ALS) program, whereby such banks may enter collateralized repo arrangements with Bangladesh Bank. Here the selling bank accounts for the arrangement as a loan, thereby continuing to recognize the asset.

#### v. Provision on loans and advances

IFRS: As per IFRS 9 an entity shall recognize an impairment allowance on loans and advances based on expected credit losses. At each reporting date, an entity shall measure the impairment allowance for loans and advances at an amount equal to the lifetime expected credit losses if the credit risk on these loans and advances has increased significantly since initial recognition whether assessed on an individual or collective basis considering all reasonable information, including that which is forward-looking. For those loans and advances for which the credit risk has not increased significantly since initial recognition, at each reporting date, an entity shall measure the impairment allowance at an amount equal to 12 month expected credit losses that may result from default events on such loans and advances that are possible within 12 months after reporting date.

Bangladesh Bank: As per BRPD circular no. 14 dated 23 September 2012, BRPD circular no. 19 dated 27 December 2012, BRPD circular no. 05 dated 29 May 2013, BRPD circular no. 16 dated 18 November 2014, BRPD circular no. 12 dated 20 August 2017, BRPD circular no. 15 dated 27 September 2017, BRPD circular letter no. 3 dated April 21, 2019, BRPD circular no. 16 dated 21 July 2020 and BRPD circular letter no. 52 dated 20 October 2020, BRPD circular 09, dated 8 April, 2024 and circulars issued till end of 2024, a general provision at 0.25% to 2% under different categories of unclassified loans (standard/SMA loans) has to be maintained regardless of objective evidence of impairment. Also, provision for sub-standard loans, doubtful loans and bad/losses loans has to be provided at 5% to 20%, 5% to 50% and 100%, respectively for loans and advances depending on the duration of overdue. Again, as per BRPD circular no. 14 dated 23 September 2012, BRPD circular no. 07 dated 21 June 2018 and BRPD circular no. 13 dated 18 October 2018 and BRPD circular no 06 dated 25 April 2023. a general provision at 0.25% to 1% is required to be provided for all off-balance sheet exposures, along with extra provision of 1%-5% on remaining overdue. Such provision policies are not specifically in line with those prescribed by International Financial Reporting Standards (IFRS) 9: Financial Instruments.

#### vi. Recognition of interest in suspense

**IFRS:** Loans and advances to customers are generally classified at amortized cost as per IFRS 9 and interest income is recognized by using the effective interest rate method to the gross carrying amount over the term of the loan. Once a loan subsequently becomes credit-impaired, the entity shall apply the effective interest rate to the amortized cost of these loans and advances.

Bangladesh Bank: As per BRPD circular no. 14 dated 23 September 2012, BRPD circular No. 03 dated 21 April 2019 and BRPD Circular Letter No. 56 dated 10 December 2020, once a loan is adversely classified, interest on such loans is not allowed to be recognized as income, rather the corresponding amount needs to be credited to an interest in suspense account, which is presented as liability in the balance sheet.

#### vii. Other comprehensive income

IFRS: As per IAS 1 Other Comprehensive Income (OCI) is a component of financial statements or the elements of OCI are to be included in a single other comprehensive income statement.

Bangladesh Bank: Bangladesh Bank has issued templates for financial statements through BRPD circular no. 14 dated 25 June 2003 which is strictly followed by all banks. The templates of financial statements issued by Bangladesh Bank do not include OCI nor are the elements of OCI allowed to be included in a single OCI statement. As such the Bank does not prepare an OCI statement. However, elements of OCI, if any, are shown in the statements of changes in equity.

#### viii. Financial instruments - presentation and disclosure

In several cases Bangladesh Bank guidelines categories, recognize, measure and present financial instruments differently from those prescribed in IFRS 9. As such full disclosure and presentation requirements of IFRS 7 cannot be made in the financial statements.

#### ix. Financial guarantees

IFRS: As per IFRS 9, financial guarantees are contracts that require the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payment when due in accordance with the original or modified terms of a debt instrument. Financial guarantee liabilities are recognized initially at their fair value plus transaction costs that are directly attributable to the issue of the financial liabilities. The financial guarantee liability is subsequently measured at the higher of the amount of loss allowance for expected credit losses as per impairment requirement and the amount initially recognized less, income recognized in accordance with the principles of IFRS Financial guarantees are included within other liabilities.

Bangladesh Bank: As per BRPD 14, dated 25 June 2003 financial guarantees such as letter of credit and letter of guarantee will be treated as off-balance sheet items. No liability is recognized for the guarantee except the cash margin. As per BRPD Circular No.01 dated 03 January 2018 and BRPD Circular No.14 dated 23 September 2012, the Bank is required to maintain provision at 1% against gross off-balance sheet exposures (which includes undrawn loan commitments) considering the latest BRPD circular letter No. 09 dated 27 May 2019.

#### Cash and cash equivalent

IFRS: Cash and cash equivalent items should be reported as cash item as per IAS 7.

Bangladesh Bank: Some cash and cash equivalent items such as money at call and on short notice, treasury bills, Bangladesh Bank bills and prize bond are not shown as cash and cash equivalents in the balance sheet. Money at call and on short notice are presented on the face of the balance sheet while treasury bills, Bangladesh Bank bills, prize bonds are shown as investments. However, in the cash flow statement, money at call and short notice and prize bonds are shown as cash and cash equivalents beside cash in hand, balance with Bangladesh Bank and other banks.

#### Non-banking asset xi.

IFRS: No indication of Non-banking assets are found in any IFRS.

Bangladesh Bank: As per BRPD circular no. 14 dated 25 June 2003 and BRPD Circular no. 22 dated

20 September 2021, there must exist a face item named Non-banking asset

#### xii. Presentation of intangible asset

IFRS: Intangible assets must be identified and recognized, and the disclosure must be given as per IAS 38: Intangible Assets.

Bangladesh Bank: There is no requirement for regulation of intangible assets in BRPD 14 dated 25 June 2003 under section 7 Fixed Asset. Hence it is shown in fixed assets including premises and furniture and fixtures.

#### Cash flow statement xiii.

IFRS: Cash flow statement can be prepared either in direct method or in indirect method. The presentation is selected to present these cash flows in a manner that is most appropriate for the business or industry. The method selected is applied consistently.

Bangladesh Bank: As per BRPD circular no. 14 dated 25 June 2003, cash flows are the mixture of direct and indirect method.

#### Balance with Bangladesh Bank (Cash Reserve Requirement) xiv.

IFRS: Balance with Bangladesh Bank should be treated as other asset as it is not available for the use in day-to-day operations as per IAS 7.

Bangladesh Bank: Balance with Bangladesh Bank is treated as cash and cash equivalents.

#### Off-balance sheet items XV.

IFRS: There is no concept of off-balance sheet items in any IFRS; hence there is no requirement of disclosure of off-balance sheet items.

Bangladesh Bank: As per BRPD circular no. 14 dated 25 June 2003, off-balance sheet items (e.g. Letter of credit, Letter of guarantee etc.) must be disclosed separately on the face of balance sheet.

#### xvi. Disclosure of appropriation of profit

IFRS: There is no requirement to show appropriation of profit in the face of statement of comprehensive income.

Bangladesh Bank: As per BRPD circular no. 14 dated 25 June 2003, an appropriation of profit should be disclosed in the face of profit and loss account.

#### Loans and advance net of provision xvii.

IFRS: As per IFRS 9, Loans and advances should be presented net of provisions.

Bangladesh Bank: As per BRPD circular no. 14 dated 25 June 2003, provision on loans and advances are presented separately as liability and cannot be netted off against loans and advances.

#### xviii. Provision on Financial Guarantees

IFRS: As per IFRS 9 bank shall recognize credit losses on undrawn loan commitments such as Letter of Credit (L/C), Letter of Guarantee (L/G) etc. as the present value of the difference between the contractual cash flow that are due by the customer if the commitment is drawn down and the cash flows that bank expects to receive.

Bangladesh Bank: Provision on financial guarantees is booked as per BRPD Circular No. 06 dated 25 April 2023.

# xix. Provision for Startup Fund

IFRS: There is no requirement to show appropriation of profit in the face of statement of comprehensive income.

**Bangladesh Bank:** In compliance with SMESPD circular 04 dated March 29, 2021 and SMESPD circular letter 05 dated April 26, 2021, the Bank has created Start-up Fund in first quarter 2021 appropriating BDT 3.17 Crore (1% of net profit of FY 2021 BDT 317.71 Crore). As a continuation of creating Start-up Fund, the bank has also contributed BDT 4.02 Crore (1% of net profit of FY 2022 BDT 393.28 Crore), BDT 2.68 Crore (1% of net profit of FY 2023 BDT 268.50 Crore) and BDT 0.61 Crore (1% of net profit of FY 2024 BDT 60.78 Crore). The objective of this fund is to provide loan facilities to the start-up entrepreneurs for their business and projects.

#### 2.1.2 Going Concern

The accompanying financial statements have been prepared on the assumption that the Bank will continue operating as a going concern for the foreseeable future. The Bank has no intention or legal/regulatory obligation to liquidate or significantly reduce its scale of operations. Key financial indicators, including liquidity, profitability, asset quality, provision sufficiency, and capital adequacy, have demonstrated a healthy trend over the past several years. Additionally, all rating agencies have assigned the Bank a "Stable" outlook. Furthermore, management is not aware of any material uncertainties that could cast significant doubt on the Bank's ability to continue as a going concern.

#### 2.1.3 Disclosure on Basel III

Basel III is a comprehensive set of financial reforms developed by the Basel Committee on Banking Supervision (BCBS) to strengthen regulation, supervision, and risk management in the banking sector. Introduced in response to the 2008 Global Financial Crisis, Basel III aims to enhance banks' ability to withstand financial stress, improve transparency, and enforce higher liquidity standards.

Basel III mandates increased capital requirements, enhanced liquidity provisions, and the reduction of excessive leverage. The framework requires financial institutions to hold more capital of higher quality, introduces a leverage ratio as a supplementary measure to risk-based capital requirements, and enforces new liquidity standards to ensure banks can sustain operations during financial crises.

# Key Principles of Basel III:

- Capital Conservation Buffer: Designed to absorb losses during financial and economic stress, banks must maintain a 2.5% capital conservation buffer, bringing the total Common Equity Tier 1 (CET1) requirement to 7% (4.5% CET1 + 2.5% buffer). Failure to maintain this buffer results in restrictions on dividend payments, share buybacks, and bonuses.
- Higher Common Equity Tier 1 (CET1): Increased to 4.5%, with a total requirement of 7% including the buffer.
- Minimum Total Capital Ratio: Set at 10%. Tier 2 capital instruments have been harmonized, and Tier 3 capital has been abolished. Banks must maintain a total capital ratio of 12.5% of their Risk-Weighted Assets (RWA) with the buffer.
- Leverage Ratio: Basel III introduced a minimum leverage ratio calculated as Tier 1 capital divided by the bank's average total consolidated assets, with a minimum requirement of 3.5%.

#### Liquidity Requirements:

Basel III introduced two essential liquidity ratios:

- a) Liquidity Coverage Ratio (LCR): Ensures banks maintain adequate high-quality liquid assets to survive a severe one-month stress scenario.
- Net Stable Funding Ratio (NSFR): Enhances long-term resilience by incentivizing financial institutions to rely on more stable funding sources.

#### 2.2 Basis of Measurement

The financial statements have been prepared on a historical cost basis with the following exceptions:

- Government Treasury Bills and Bonds (Held for Trading HFT): Valued at present value using
  the 'mark-to-market' method, with gains credited to the revaluation reserve and losses charged to
  the Profit and Loss Account.
- Government Treasury Bills and Bonds (Held to Maturity HTM): Measured using the amortization method.
- Land: Initially recognized at cost and subsequently remeasured at fair value as per IAS-16 and relevant regulatory guidelines.
- Investments in Listed Companies: Valued at market price, while investments in unlisted companies are measured at cost or book value, whichever is lower.
- Defined Benefit Scheme: Recognized as the net position of present value obligations, total plan assets, and other related items in accordance with IAS 19.

#### 2.3 Basis of Consolidation

The consolidated financial statements include United Commercial Bank PLC and its subsidiaries: UCB Stock Brokerage Limited, UCB Investment Limited, UCB Asset Management Limited, UCB Fintech Company Limited, and UCB Exchange (SG) PTE Ltd. The consolidated financial statements have been prepared in accordance with IAS 27 (Separate Financial Statements) and IFRS 10 (Consolidated Financial Statements) for the financial year ending December 31, 2024.

Key principles of consolidation include:

- Full Line-by-Line Integration: The financial statements of subsidiaries are fully incorporated from the date control is established until the date control ceases.
- Elimination of Intercompany Balances and Transactions: Unrealized intra-group profits/losses
  are eliminated.
- Non-Controlling Interests (NCI): Recognized separately within equity.
- Loss of Control: Upon losing control of a subsidiary, assets, liabilities, NCI, and related equity
  components are derecognized, and any resulting gain or loss is recorded in the Profit and Loss
  Account.

#### 2.4 Use of Estimates and Judgments

The preparation of financial statements requires management to make judgments, estimates, and assumptions affecting asset and liability valuations, as well as income and expense recognition. These estimates are reviewed periodically and adjusted as necessary. Significant areas requiring estimation include:

#### i) Provision for loans and advance

The Bank assesses its loans and advances for objective evidence of impairment on a regular basis and particularly at year end. Whilst the primary criteria set out in BRPD circular no. 14 dated 23 September 2012, BRPD circular letter no. 3 dated April 21, 2019, BRPD circular no. 16 dated 21 July 2020, BRPD circular letter no. 52 dated 20 October 2020 and circulars issued and effective till 2024 for determining whether a loan is impaired is objective, being based on borrower's ability to make timely repayments, loans and advances may also be classified based on qualitative judgment. This involves making assessments regarding the economic environment in which borrowers operate in addition to making judgments about a borrower's financial situation and net realizable value of any underlying collateral.

#### ii) Taxation

The estimation of current tax provision involves making judgments regarding admissibility of certain expenses, estimating the amount of other expenses for tax purposes and applicability of provision of Income Tax Act 2023 and Finance Act 2024, although return will be submitted for tax based on the Finance Act 2025.

In addition, the recognition of deferred tax assets requires the Bank to estimate the extent to which it is probable that future taxable profits will be available against which the deferred tax assets may be utilized.

#### iii) Post-employment benefits-asset/(liability) from gratuity

The determination of Bank's asset/(liability) from gratuity involves the use of estimates regarding demographic variables (such as employee turnover and mortality) and financial variables (such as future increases in salaries and medical costs) that will influence the cost of the benefit.

#### iv) Depreciation

Depreciation is provided on a straight-line basis over the estimated useful life of each item of fixed asset. The determination of useful life involves the use of estimates regarding expected use of the assets, expected physical wear and tear, technical or commercial obsolescence and legal or similar limits on the use of the assets.

#### v) Provisions for expenses

A provision is recognized in the balance sheet when the Bank has a legal or constructive obligation as a result of past event, it is probable that an outflow of economic benefits will be required to settle the obligation and a reliable estimate can be made of the amount of obligation in compliance with IAS 37: Provisions, Contingent Liabilities and Contingent Assets.

#### vi) Lease Liabilities

The lease liability is initially measured at the present value of the lease payments, discounted at the Bank's incremental borrowing rate. The Bank determines its incremental borrowing rate by obtaining interest rates from various external financing sources and makes certain adjustments to reflect the terms of the lease and type of the rental assets leased. The lease liability is remeasured when there is a change in future lease payments or the changes in discount rate. When the lease liability is remeasured in this way, a corresponding adjustment is made to the carrying amount of the right-of-use assets and lease liabilities.

#### 2.5 Consistency

United Commercial Bank PLC ensures consistency in financial reporting as per the IFRS framework, IAS 1 (Presentation of Financial Statements), and IAS 8 (Accounting Policies, Changes in Accounting Estimates, and Errors). Changes in accounting policies are applied retrospectively, while changes in estimates are applied prospectively.

#### 2.6 Foreign Currency Transactions and Translation

#### Functional and presentation currency

These financial statements are presented in Bangladesh Taka (Taka/Tk./BDT) which is the Bank's functional currency. The functional currency of OBU is US Dollar (USD). The financial statements of OBU have been translated to presentation currency (Taka/Tk./BDT) using the exchange rate prevailing at balance sheet date and average exchange rate during the year. Except as otherwise indicated, financial information presented in Taka has been rounded to the nearest integer.

United Commercial Bank PLC

Faruk Ahammad, FCA
Deputy Managing Director & CFO
United Commercial Bank PLC

Mohammad Mamdudur Rashid Managing Director & CEO United Commercial Bank PLC

#### Foreign currency transactions

Transactions/Day End Balances in foreign currencies are converted into respective functional currencies at the rate of exchange ruling at the date of transactions as per IAS 21: The Effects of Changes in Foreign Exchange Rates. Effects of Exchange rate differences (rates at which transactions were initially recorded and the rate prevailing on the reporting date/date of settlements) applied on the monetary assets or liabilities of the bank are recorded in the Profit and Loss Account.

Assets and liabilities of OBU have been presented in Taka (which is functional currency of the Bank) using year end standard mid-rate of exchange of the Bank. On the other hand, incomes and expenses are translated using monthly average of standard mid-rate of exchange. The foreign currency translation difference is a net result of exchange difference of year end standard mid-rate and monthly average of standard mid-rate arising from translation of functional currency to presentation currency.

Foreign currency differences arising on translation are recognized in the profit and loss account except for exchange rate differences on fund deposited with Bangladesh Bank as capital, which is recognized directly in equity.

#### 2.7 Cash Flow Statement

Cash flow statement has been prepared in accordance with International Accounting Standard (IAS)-7: Statement of Cash Flows and under the guideline of Bangladesh Bank BRPD Circular no.14 dated 25 June 2003. The Statement shows the structure of changes in cash and cash equivalents during the financial year.

#### 2.8 Statement of Changes in Equity

The statement of changes in equity reflects information about the increase or decrease in net assets or wealth. The statement also shows item-wise movement along with the description of changes from the end of last year to the end of current year.

#### 2.9 Liquidity Statement

The liquidity statement of assets and liabilities as of the reporting date has been prepared based on residual maturity, following the criteria below:

Particulars	Basis of Classification
Cash, balances with other banks and financial institutions, money at call, and short notice	Stated maturity/observed behavioural trend
Investments	Residual maturity term
Loans and advances	Repayment/maturity schedule and behavioural trend (for non-maturity products)
Fixed assets	Useful life
Other assets	Realization/amortization basis
Borrowings from other banks and financial institutions	Maturity/repayment term
Deposits and other accounts	Maturity and behavioural trend (for non-maturity products)
Other long-term liabilities	Maturity term
Provisions and other liabilities	Settlement/adjustment schedule

# 2.10 Significant Accounting Policies

The accounting policies outlined below have been applied consistently to all periods presented in these financial statements. These policies are uniformly followed by all group entities unless otherwise directed by the Central Bank, the primary regulator. Certain comparative figures in the financial statements have been reclassified and rearranged to align with the current year's presentation.

#### **Accounting Policies of Subsidiaries**

The financial statements of subsidiaries are prepared using accounting policies consistent with those of the Bank (Parent) for similar transactions and events. These statements follow the calendar year ending on December 31, the same as the Bank.

#### A. ASSETS AND BASIS OF VALUATION

#### 2.10.1 Cash and Cash Equivalents

Cash and cash equivalents include:

- Notes and coins on hand
- · Unrestricted balances held with Bangladesh Bank
- · Highly liquid financial assets subject to insignificant risk of fair value changes

These assets are readily available for the Bank's short-term commitments.

#### 2.10.2 Investments

All investment securities are initially recognized at cost, including acquisition-related charges. Premiums are amortized, while discounts are accrued. The accounting treatment for government treasury securities (HFT and HTM) follows:

- DOS Circular Letter No. 5 (May 26, 2008)
- DOS Circular Letter No. 5 (January 28, 2009)
- DOS Circular Letter No. 27 (December 4, 2023)

#### 2.10.3 Held-to-Maturity (HTM) Investments

HTM investments have fixed or determinable payments and are intended to be held until maturity.

- Initially recorded at cost
- Subsequently measured at amortized cost at year-end
- Changes in value are reflected in shareholders' equity or the profit and loss account accordingly

#### 2.10.4 Held-for-Trading (HFT) Investments

HFT investments are acquired for short-term trading or as designated by management.

- · Initially recorded at cost
- · Revalued weekly using the Mark-to-Market (MTM) approach
- · Revaluation gains are recognized under shareholders' equity
- · Revaluation losses are charged to the profit and loss account

#### 2.10.5 REPO and Reverse REPO Transactions

Securities purchased under re-sale agreements are treated as collateralized lending and recorded at the consideration paid and interest accrued thereon. The difference between purchase price and re-sale price is treated as interest received and accrued evenly over the life of Repo agreement.

Since 01 September 2010 transactions of REPO and Reverse REPO are recorded based on DOS Circular no. 06, dated 15 July 2010 of Bangladesh Bank. Securities under repo will be excluded from the investment portfolio and hence will not be eligible for SLR purpose. Securities acquired under reverse repo will be eligible for SLR purpose initially at its clean price (in case of coupon bearing security) or at its market value (in case of non-coupon bearing security).

#### 2.10.10 Property, Plant, and Equipment (PPE) & Depreciation

### Recognition & Initial Measurement

An item of fixed assets is recognized as an asset if it is probable that future economic benefits will flow to the entity and its cost can be reliably measured. The initial cost of PPE includes:

- Purchase price (including duties/taxes, net of discounts).
- Direct costs incurred to bring the asset to operational condition.
- Costs related to dismantling/removal/restoration of the asset.

#### **Subsequent Measurement**

The Bank may adopt either the cost model or revaluation model for PPE. Fixed assets, except land, are recorded at cost less accumulated depreciation. Land is initially recorded at cost and subsequently revalued by professional valuers. Any revaluation surplus is recorded in Shareholders' Equity.

#### Subsequent Expenditure

The bank recognizes any subsequent expenditure in the carrying amount of an item of property, plant and equipment as a part of the cost only when it is probable that future economic benefits embodied with the item will flow to the bank due to the subsequent expenditure. However, expenditures incurred after the assets have been put into operation, such as, repairs and maintenance are recognized as revenue expenditure in the period in which it is incurred.

Depreciation is charged using the straight-line method, beginning in the month of acquisition and ceasing in the month of disposal. Land is not depreciated.

Asset Type	Depreciation Rate	Estimated Useful Life
Land	NIL	Not applicable
Building	2.50%	40 years
Furniture & Fixtures	10%	10 years
Office Equipment	20%	5 years
Computers & IT Equipment	20%	5 years
Computer Software	25%	4 years
Vehicles	20%	5 years

Changes in the useful life or depreciation method are accounted for as per IAS 8: Accounting Policies, Changes in Accounting Estimates, and Errors.

#### Capital Work-in-Progress (CWIP)

Property, plant and equipment under construction is recognized and reported under Fixed Assets as per IAS-16: Property, Plant and Equipment as Capital Work in Progress until the construction work is completed and the asset is ready for the intended use. This asset is stated at cost, and depreciation of the asset will be charged from the date of its intended use.

#### De-recognition of PPE

Assets are de-recognized upon disposal or when no future economic benefits are expected. Gains or losses from de-recognition are recorded in the Profit & Loss Account.

#### Revaluation of PPE

An item of Property, Plant and Equipment is revalued when fair value of the asset differs materially from its carrying amount. Such revaluation is normally carried out by professionally qualified valuers. Last revaluation of Bank's land property and Building were carried as at 27 December 2012 by Padma Techno Consult & Survey Ltd. Accordingly, revaluation surplus is included in fixed assets and assets revaluation reserve is recognized under shareholder's equity as per guidelines of IAS-16: Property, Plant and Equipment. Such revaluation reserve will be disposed-off upon retirement/de-recognition of the assets.

#### 2.10.11 Lease Accounting

#### **Assets obtained under Lease Agreements**

International Financial Reporting Standard (IFRS)-16: Leases come into force on 1 January 2019, as adopted by Institute of Chartered Accountants of Bangladesh (ICAB). As per IFRS-16 a lease is a contract (or part of a contract) that conveys the right to use an asset for a period of time in exchange for consideration. A contract contains a lease if fulfilment depends on an identified asset and it conveys the right to control the use of that identified asset throughout the period of use. Each lease component should be identified and accounted for separately.

#### As a lessee

The Bank recognizes a Right-of-Use (ROU) asset and a lease liability from the initial application date i.e. 01 January 2019 or the commencement date of a lease contract. The right-of-use asset is initially measured at cost, which comprises the initial amount of the lease liability adjusted by the amount of any prepaid or accrued lease payments relating to that lease recognized in the balance sheet immediately before the date of initial application, plus any initial direct costs incurred and an estimate of costs to dismantle and remove the underlying asset or to restore the underlying asset or the site on which it is located, less any lease incentives received.

The right-of-use assets are subsequently depreciated using the straight-line method from the initial application date or commencement date to the end of the lease term, unless the lease transfers ownership of the underlying asset to the Bank by the end of the lease term or the cost of the right-of-use asset reflects that

the Bank will exercise a purchase option. In that case the right-of-use assets will be depreciated over the useful life of the underlying asset, which is determined on the same basis as those of property and equipment. In addition, the right-of-use assets are periodically reduced by impairment losses, if any, and adjusted for certain re-measurements of the lease liability.

The lease liability is initially measured at the present value of the lease payments that are not paid at the initial application date or commencement date, discounted at the Bank's weighted average rate. Generally, the Bank uses its incremental borrowing rate as the discount rate.

#### i) Determining whether an arrangement contains a lease

At inception of an arrangement, the Bank determines whether the arrangement is or contains a lease. At inception or reassessment of an arrangement that contains a lease, the Bank separates payments and other consideration required by the arrangement into those for the lease and those for other elements on the basis of their relative fair value. If the Bank concludes for a finance lease that it is impracticable to separate the payments reliably, then an asset and a liability are recognized at an amount equal to the fair value of the underlying asset; subsequently, the liability is reduced as payments are made and an imputed finance cost on the liability is recognized using the Bank's incremental borrowing rate.

#### ii) Leased Asset

Leases of property, plant and equipment that transfer to the Bank substantially all of the risks and the rewards of ownership are classified as finance leases. The leased assets are measured initially at an amount equal to the lower of their fair value and the present value of the minimum lease payments. Subsequent to initial recognition, the assets are accounted for in accordance with the accounting policy applicable to the asset.

Assets held under other leases are classified as operating leases and are not recognized in the Bank's statement of financial position.

#### iii) Lease Payment

Payments made under operating lease are charged to profit or loss on a straight-line basis over the term of the lease. Lease incentives received are recognized as an integral part of the total lease expenses, over the term of the lease.

Minimum lease payments made under finance leases are apportioned between the finance expense and the reduction of the outstanding liability. The finance expense is allocated to each period during the lease term so as to produce a constant periodic rate of interest on the remaining balance of the liability.

#### 2.10.12 Intangible Assets

An intangible asset is recognized if it is probable that future economic benefits attributable to the asset will flow to the Bank and the asset's cost can be measured reliably. Recognition and measurement of intangible assets comply with International Accounting Standard (IAS) 38: Intangible Assets.

Intangible assets are derecognized upon disposal or when no future economic benefits are expected. Gains or losses from derecognition are calculated as the difference between net disposal proceeds and the asset's carrying amount, recognized in the profit and loss account. As per BRPD Circular No. 14 (dated June 25, 2003), intangible assets are included under Fixed Assets. However, their details, including amortization rates, are presented in the Fixed Asset schedule.

#### 2.10.13 Impairment of Assets

The Bank periodically reviews asset carrying amounts to determine any impairment indicators. If an asset's carrying amount exceeds its recoverable amount, an impairment loss is recognized in the profit and loss account, following IAS 36: Impairment of Assets. No impairment losses were recognized for the year ending December 31, 2024.

#### 2.10.14 Other Assets

Other assets primarily comprise advance office rent, advance income tax (pending assessment), investments in subsidiaries, receivables from fees and other unrealized income, and advances for operating and capital expenditures. As per BRPD Circular No. 14 (dated June 25, 2003), income-generating and non-incomegenerating assets are disclosed separately in the financial statement notes.

#### 2.10.15 Receivables

Receivables are recognized when the Bank has a contractual right to receive cash or another financial asset from a counterparty.

#### 2.10.16 Non-Banking Assets

Non-banking assets arise when a borrower defaults on a loan, and the Bank gains legal ownership of the mortgaged property through a court decree. As per BRPD Circular No. 14 (dated June 25, 2003), such assets are recorded separately.

#### Recognition of Non-Banking Assets

Although IFRS does not explicitly cover non-banking assets, they are recognized when the Bank establishes control over the economic benefits of the asset and its cost/value can be reliably measured. Per BRPD Circular No. 22 (dated September 20, 2021), non-banking assets are recorded when the following conditions are met:

- Certification of ownership u/s 33(7) of the 'Artharin Adalat Act 2003' obtained
- Registration from the Sub Registry Office completed
- DCR & Mutation form the concerned AC Land office completed
- Land rent tax and Municipal tax (if any) paid
- Valuation of the property done
- Physical possession obtained

#### Measurement of Non-Banking Assets

Non-banking assets are measured at lower of value determined by an internal committee and the value determined by an independent professional valuation firm as per BRPD Circular No. 22, dated 20 September 2021.

#### **B. Liabilities and Provisions**

#### 2.10.17 Borrowings from Other Banks, Financial Institutions, and Agents

These borrowings, including interest-bearing loans and bonds, are reported at the principal outstanding balance. Interest payable on these borrowings is recorded under other liabilities.

#### 2.10.18 Debt Securities

After global economic turmoil in 2010, the global financial regulators are more concerned with enhancing risk resilience capacity of the banks and introduced more risk sensitive capital adequacy framework namely Basel III. With the view to strengthening capital base of the bank and subsequently to meet up the capital adequacy ratio as per Bangladesh Bank's instruction in line with BASEL-III Accord, UCB issued the following Subordinated and Perpetual bonds with key features as listed below:

#### Subordinated Bonds:

United Commercial Bank PLC (UCB) issued a total of five subordinated bonds and two perpetual bonds, all with due consent from the Bangladesh Securities and Exchange Commission (BSEC) and No Objection Certificates (NOC) from Bangladesh Bank.

Among the five subordinated bonds:

- The UCB 1st Subordinated Bond and UCB 2nd Subordinated Bond have been fully redeemed/repaid.
- The UCB 3rd Subordinated Bond and UCB 4th Subordinated Bond have been fully subscribed.
- The UCB 5th Subordinated Bond is yet to be fully subscribed.

#### 2.10.19 Deposits and Other Accounts

Deposits include current, short-term, savings, and fixed deposits, initially recognized at the amount received and subsequently accounted for at their outstanding balances as per contractual agreements.

#### 2.10.20 Other Liabilities

Other liabilities comprise items such as provision for loans and advances/ investments, provision for taxes, interest payable on borrowing, interest suspense and accrued expenses etc. Individual item-wise liabilities are recognized as per the guidelines of Bangladesh Bank and International Financial Reporting Standards (IFRSs).

#### 2.10.21 Dividend Payments

Interim dividends are recognized when disbursed to shareholders, whereas final dividends are acknowledged only upon shareholders' approval at the Annual General Meeting (AGM). As per IAS-10: Events after the Reporting Period, proposed dividend, if any, is disclosed in the "Events after reporting period" note.

Dividend payments to the Bank's shareholders are accounted for as liabilities and deducted from shareholders' equity in the financial statements once shareholders' entitlement to receive the dividend is formally established.

#### 2.10.22 Provision for Loans and Advances

Provision for classified loans and advances is made on the basis of quarter end review by the management and instructions contained in BRPD circular no. 14 dated 23 September 2012, BRPD circular no. 19 dated 27 December 2012, BRPD circular no. 05 dated 29 May 2013, BRPD circular no. 16 dated 18 November 2014, BRPD circular no. 12 dated 20 August 2017, BRPD circular no. 15 dated 27 September 2017, BRPD circular letter no. 3 dated April 21, 2019, BRPD circular no. 16 dated 21 July 2020 and BRPD circular letter no. 52 dated 20 October 2020 and circulars issued till 2023.

Details are stated in Note 13.

#### 2.10.23 Provision for Investment in the Capital Market and Other Than Capital

Provisions for unrealized losses (net of gains) on capital market investments are maintained per DOS Circular No. 01 (dated May 24, 2023), on a portfolio basis.

#### 2.10.24 Provision for Off-Balance Sheet Exposures

In compliance with Bangladesh Bank guidelines, contingent liabilities have been disclosed under off-balance sheet items. As per BRPD Circular No. 06 dated 25 April 2023 the Bank has been maintaining provision as per the Bangladesh Bank guideline/Circulars against off-balance sheet exposures.

#### 2.10.25 Provision for Other Assets

Provision for other assets is maintained in compliance with BRPD Circular No. 04 (dated April 12, 2022).

#### 2.10.26 Provision for Nostro Accounts

No provision was required to make for Nostro Accounts/Nostro un-reconciled entries in the accounting year 2023 as per BRPD Circular no. 04 dated 12 April 2022.

#### 2.10.27 Provision for Liabilities and Accrued Expenses

In compliance with IAS-37: Provision, Contingent Liabilities and Contingent Assets, provisions for other liabilities and accrued expenses are recognized in the financial statements when the Bank has a legal or constructive obligation as a result of past event, it is probable that an outflow of economic benefit will be required to settle the obligation and a reliable estimate can be made of the amount of the obligation.

#### 2.10.28 Employee Benefits and Retirement Benefit Schemes

The retirement benefits accrued for the employees of the Bank as on reporting date has been accounted for in accordance with the provision of International Accounting Standard (IAS)-19: Employees Benefits. Various types retirement benefit schemes of the bank are as follows:

#### **Provident Fund**

The Bank provides Provident Fund benefits to its employees in accordance with the registered Provident Fund rules. The Commissioner of Income Tax, Dhaka (North), recognized the fund under section 2(52) of the Income Tax Ordinance, 1984, in conjunction with Part B of the First Schedule. This recognition has been effective since November 30, 1988.

The fund is managed by a Board of Trustees comprising five members from the Bank. All confirmed employees contribute between 10% and 20% of their basic salary to the fund, with the Bank matching the contribution up to a maximum of 10%. Interest earned from investments is credited to members' accounts semi-annually.

#### **Gratuity Fund**

Gratuity benefits are provided per the approved Gratuity Fund rules. The National Board of Revenue recognized the fund on December 27, 1995. It is managed by a Board of Trustees consisting of five members from the Bank.

Employees become eligible for gratuity benefits after completing at least five years of service. The gratuity amount is calculated based on the last drawn basic salary at a rate of one month's basic pay for each completed year of service. The Gratuity Fund is classified as a "Defined Benefit Plan," with contributions determined through actuarial valuations.

The Bank's net obligation for gratuity is calculated based on future benefits earned by employees, discounted to present value, and reduced by the fair value of any plan assets. A qualified actuary conducts this calculation annually using the Projected Unit Credit Method.

Expenses related to the Defined Benefit Plan, including net interest expense and service costs, are recognized under salaries and allowances in the profit and loss account. Any changes to the plan, including curtailments, are recognized immediately in profit or loss.

#### Welfare Fund

The Employees' Welfare Fund was established on June 18, 2009, and operates under the UCB PLC policy on Employees' Welfare Fund, 2009. A Board of Trustees manages the fund, ensuring its administration and investment comply with relevant laws and regulations in Bangladesh.

#### Workers' Profit Participation Fund (WPPF)

Consistent with widely accepted industry practice and in accordance with section 11(1) of the Bank Company Act, 1991 (as amended up to date) and subsequent clarification given by the letter of Banking and Financial Institution Division, Ministry of Finance, Government of People's Republic of Bangladesh (no.53.00.0000.311.22.002.17-130 dated 14 February 2017), no provision has been made by the Bank in the reporting period against Workers Profit Participation Fund (WPPF).

#### **Performance Bonus**

The Bank awards performance bonuses annually to eligible employees at management's discretion. The bonus calculation is based on employee performance ratings and management decisions. While the bonus is paid in the following year, the associated cost is recognized in the financial period to which it pertains.

#### 2.10.29 Taxation Policies

#### **Current Tax**

Current tax is the amount of income taxes payable (recoverable) in respect to the taxable profit (tax loss) for a period. Provision for current income tax has been made as per the prescribed rate in the Income Tax Act 2023 and Finance Act 2024 on the accounting profit made by the bank after considering some of the add-backs to income and disallowances of expenditure as per Income Tax Act 2023 and other applicable laws and regulations. Tax Assets under the group head of other assets are recognized for payment of advance income tax, tax deducted at source and tax paid at the time of IT Return for the year/years for which assessment has not yet been finalized. On the other hand, the tax provision (as estimated as per IAS-12: Income Taxes, provision of latest Finance Act, related SROs/guidelines etc.) are recognized as tax liability under the group head of other liability for the year/years for which assessment has not yet been finalized.

#### Deferred Tax

Deferred tax liabilities are the amount of income taxes payable in future periods in respect to taxable temporary differences. Deferred tax assets are the amount of income tax recoverable in future periods in respect of deductible temporary differences. Deferred tax assets and liabilities are recognized for the future tax consequences of timing differences arising between the carrying values of assets, liabilities, income and expenditure and their respective tax bases. Deferred tax assets & liabilities are measured using tax rate & tax laws enacted or at the balance sheet date. Tax impact on the account of changes in deferred tax assets and liabilities has also been recognized in the profit and loss account as per IAS-12: Income taxes.

#### C. CAPITAL / SHAREHOLDERS' EQUITY

#### 2.10.30 Capital

#### (a) Authorized Capital

Authorized capital represents the maximum share capital the Bank is permitted to issue, as specified in its Memorandum and Articles of Association.

#### (b) Paid-up Capital

Paid-up capital is the total amount of capital that shareholders have fully paid. Ordinary shareholders are entitled to dividends as declared and have voting rights at shareholders' meetings. In the event of liquidation, they rank after all other shareholders and creditors but receive any remaining proceeds.

#### 2.10.31 Statutory Reserve

The statutory reserve is maintained at 20% of profit before tax, as per Section 24 of the Bank Company Act, 1991, and subsequent amendments.

#### 2.10.32 Asset Revaluation Reserve

When an asset's carrying amount increases due to revaluation, the surplus is credited to the asset revaluation reserve under equity, in accordance with IAS 16 (Property, Plant, and Equipment) and the BSEC guidelines issued on August 18, 2013.

#### 2.10.33 Reserve for Amortization/Revaluation of Securities

For financial assets classified as Held-to-Maturity (HTM) or Held-for-Trading (HFT), any increase in value due to amortization or mark-to-market revaluation is credited to this reserve. The Bank follows Bangladesh Bank regulations, including DOS Circular Letters No. 05 (May 26, 2008), No. 05 (January 28, 2009), and Circular No. 06 (July 15, 2010).

# 2.10.34 Retained Earnings

The net surplus from the current year's profit after tax, following necessary appropriations, is transferred to retained earnings.

#### 2.10.35 Share Premium

Share premium represents the excess amount received over the nominal/par value of shares. Utilization of share premium is governed by Section 57 of the Companies Act, 1994.

#### 2.10.36 Contingent Assets and Liabilities

A contingent asset arises from past events and is recognized only if future events confirm its existence. Similarly, a contingent liability is a potential obligation that depends on uncertain future events. These items are disclosed but not recognized in financial statements.

The Bank also engages in forward rate agreements, derivatives, and similar financial transactions, adhering to Bangladesh Bank guidelines, with appropriate provisions made against such contingent items.

#### 2.10.37 Accounting for Derivative Financial Instruments

#### Derivatives

A financial instrument is any contract that gives rise to a financial asset of one entity and a financial liability or equity instrument of another entity. Derivative is a financial instrument meeting all of the following three features:

- whose value changes in response to the change in price of an underlying security, commodity, currency, index or other financial instruments;
- where the initial net investment is zero or is small in relation to the value of underlying security or index;
- 3. that is settled at a future date.

Derivatives are classified as held for trading (unless they are hedging instruments) and accordingly, measured at fair value. Any changes in fair value is recorded in profit and loss account.

#### **Embedded derivatives**

Certain contracts that are not themselves derivatives (and may not be financial instruments) include derivative contracts that are 'embedded' within. An embedded derivative is a component of a hybrid (combined) instrument that also includes a non-derivative host contract. Embedded derivative causes some or all of the cash flows of the host contract to be modified. Besides, embedded derivative cannot be transferred to a third party independently of the instrument. The basic rule for accounting for an embedded derivative is that it should be separated from its host contract and accounted for as a derivative, i.e., measured at fair value and any changes in fair value recognized in profit and loss account. Separation of embedded derivative from the host contract is made only when the following conditions are met:

The economic characteristics and risks of the embedded derivatives are not closely related to the economic characteristics and risks of the host contract.

- 1. The embedded derivative would meet the definition of a derivative if separated from the host contract.
- The hybrid (combined) instrument is not measured at fair value with changes in fair value recognized in profit and loss.

#### D. REVENUE RECOGNITION

#### 2.10.38 Interest Income

Interest on loans and advances is accrued daily and applied periodically based on the product terms.

- Standard & SMA Loans: Interest is recognized on an accrual basis.
- Sub-Standard & Doubtful Loans: Interest is transferred to the Interest Suspense Account and recognized only when received, per BRPD Circular No. 14 (September 23, 2012) and subsequent Bangladesh Bank updates.
- Bad/Loss Loans: Interest is no longer accrued to avoid overstating revenue.

This ensures compliance with prudential regulations and financial transparency.

#### 2.10.39 Fees and Commission Income

The Bank earns fees and commissions from financial services:

- · Trade Finance (LCs, Guarantees, Acceptances): Recognized at transaction execution.
- Retail Banking (Credit Cards, Loans, Lockers, etc.): Recognized upon actual receipt (realization basis).

This approach prevents premature revenue recognition.

#### 2.10.40 Interest Income from Investments

Interest earned from investments in government securities, corporate bonds, debentures, and other financial instruments is recognized on an accrual basis. This means the Bank records interest as income over time, rather than only when cash is received.

This method reflects the true financial performance of the Bank, ensuring accurate reporting of investment income.

#### 2.10.41 Income from Foreign Exchange

The Bank engages in foreign currency transactions, leading to income from:

- Day-to-day trading in foreign currencies (e.g., exchanging one currency for another).
- · Conversion gains and losses when customers make foreign currency transactions.
- Revaluation of non-monetary foreign currency assets and liabilities, adjusting their value due to exchange rate fluctuations.

Foreign exchange income is recognized as gains or losses when these events occur, ensuring real-time reflection of the Bank's financial position in foreign exchange dealings.

#### 2.10.42 Dividend Income

Dividend income from investments in equities (such as shares of other companies) is recognized when:

- 1. The dividend is declared by the issuing company.
- 2. The right to receive payment is established, meaning the Bank is legally entitled to the income.
- 3. The amount is confirmed, i.e., the exact dividend amount is ascertained.

This method ensures that unrealized gains from anticipated dividends are not prematurely recognized as income.

#### 2.10.43 Interest Paid on Borrowings and Deposits

The Bank incurs interest expenses on funds it borrows and deposits held by customers.

- Interest on deposits (e.g., savings, fixed deposits) is calculated based on the terms of the respective products and credited to customer accounts periodically (monthly, quarterly, or at maturity).
- Interest on borrowings (e.g., interbank loans, bonds issued by the Bank) is accrued and recorded as an expense in the financial statements.
- Other related expenses, such as service charges, are recorded as they accrue, ensuring a transparent reflection of the Bank's obligations.

By recognizing expenses as they are incurred, the Bank adheres to the matching principle, ensuring accurate financial reporting.

#### 2.10.44 Management and Other Expenses

The Bank incurs various operational expenses, including:

- Staff salaries and benefits
- Office rent and utilities
- · IT infrastructure and software maintenance
- Marketing and promotional costs
- · Legal and professional fees

These expenses are recognized either on an actual basis (when paid) or on an accrual basis (when incurred but not yet paid) to ensure that financial statements accurately reflect the Bank's financial obligations.

#### E. OTHERS

#### 2.10.45 Materiality and Aggregation

Each material class of similar items has been presented separately in the financial statements. Items of dissimilar nature are also presented separately unless deemed immaterial, in accordance with IAS-1: Presentation of Financial Statements.

#### 2.10.46 Offsetting

The balance sheet presents the net amount of financial assets and liabilities when there is a legally enforceable right to offset the recognized amounts, and the intention is to settle them on a net basis or simultaneously realize the asset and settle the liability.

- The Bank presents advance tax paid and provision for tax on a net basis under liabilities, as the tax liability exceeds the advance tax.
- Similarly, Deferred Tax (DT) assets and liabilities are presented on a net basis under the asset section, where the DT asset amount is greater than the DT liability.
- The net defined benefit obligation is presented under liabilities, as the defined benefit obligation exceeds the fair value of plan assets.
- Finally, card revenues and expenses earned and incurred on a shared basis that are directly attributable are presented on a net-off basis.

#### 2.10.47 Earnings Per Share (EPS)

Earnings Per Share (EPS) is calculated in accordance with IAS-33: Earnings Per Share, and is presented on the face of the Profit and Loss Account. EPS is computed by dividing the net profit after tax by the total number of ordinary shares outstanding at the end of the year. Additional details are provided in Note 40 of the financial statements.

- Basic Earnings Per Share: Basic EPS is calculated by dividing the profit or loss attributable to
  ordinary equity holders of the parent entity (numerator) by the weighted average number of ordinary
  shares outstanding (denominator) during the period.
- Weighted Average Number of Ordinary Shares Outstanding: This represents the number of
  ordinary shares outstanding at the beginning of the year, plus the number of shares issued during—
  the year, multiplied by a time-weighted factor. The time-weighting factor corresponds to the number
  of days each share was outstanding as a proportion of the total days in the year.
- Diluted Earnings Per Share: Diluted EPS is determined by adjusting the profit or loss attributable
  to ordinary shareholders and the average number of ordinary shares outstanding for the effects of all
  dilutive potential ordinary shares.

# 2.10.48 Related Party Transactions

Related parties are entities or individuals that have the ability, directly or indirectly, to control or significantly influence another entity's financial and operational decisions. Entities under common control or significant common influence are also considered related parties.

Related party transactions involve the transfer of resources, services, or obligations between such parties, regardless of whether a price is charged. These transactions are conducted in compliance with IAS-24: Related Party Disclosures, along with regulatory guidelines from Bangladesh Bank and the Bangladesh Securities and Exchange Commission (BSEC). Detailed disclosures regarding related party transactions are provided in Note 49 of the financial statements.

#### 2.10.49 Reconciliation of Books and Accounts

Books of account for inter-bank transactions (both within Bangladesh and internationally) as well as interbranches are reconciled at regular intervals to maintain unreconciled balances at non-material levels.

#### 2.10.50 Credit Rating

Emerging Credit Rating Limited (ECRL) has assigned the Bank a credit rating as of December 31, 2023, with an "AA" rating for the Long Term (pronounced Double A) and an ST-2 rating for the Short Term. The rating was issued on June 11, 2024.

Valid From	Valid To	Base Financial Year	Long Term Rating	Short Term Rating	Outlook
07 May 2024	06 May 2025	2023	AA	ST-2	Stable
07 May 2023	06 May 2024	2022	AA	ST-2	Stable
07 May 2022	06 May 2023	2021	AA	ST-2	Stable

The outlook of the rating is Stable. This rating reflects the strengths of the Bank, which are supported by its strong management, solid liquidity position, satisfactory capital base, and comprehensive branch coverage across the country.

### 2.10.51 Compliance Report on International Accounting Standards (IAS) and International Financial Reporting Standards (IFRS)

The Financial Reporting Act (FRA) 2015 was enacted to guide financial reporting in Bangladesh. Under this Act, the Financial Reporting Council (FRC) was established in 2017, and the FRC adopted International Accounting Standards (IAS) and International Financial Reporting Standards (IFRS) as the applicable standards for public interest entities, including banks. Consequently, the consolidated and separate financial statements of the Group and the Bank have been prepared in accordance with IASs and IFRSs, as adopted by the FRC. Refer below for such recognition and measurement differences that are most relevant and material to the Bank and the Group.
- \*\* This Standard regards a retirement benefit plan as a reporting entity separate from the employers of the participants in the plan. Therefore, it is not applicable for the Bank's annual report as it is the employer and not the retirement benefit plan itself.
- \*\*\* The objective of IAS 34 is to prescribe the minimum content of an interim financial report and to prescribe the principles for recognition and measurement in complete or condensed financial statements for an interim period and hence it is not applicable for annual financial statements. However, the Bank being a listed entity in Dhaka and Chittagong Stock Exchanges regularly publishes Interim Financial Report complying with IAS 34.

#### 2.10.52 Operating Segments

The Bank reports on nine distinct business segments, each representing different products and services with unique risks and returns. These segments are the Bank's strategic business units, managed separately based on the Bank's internal reporting structure. The Management Committee periodically reviews these segments. Below is a summary of the Bank's reportable segments:

Segment Name	Description
Corporate Banking	Focuses on large corporate groups, structured/syndicated finance, and a variety of advanced & deposit products.
SME Banking	Provides loans, deposits, and other services to SME customers.
Consumer Banking	Includes loans, deposits, and other services for retail customers.
Treasury	Manages the Bank's funding, SLR maintenance, asset-liability management, foreign exchange dealings, and investments in derivatives.
Investment Banking	Involves trading, investment in equities, and other capital market activities.
Offshore Banking	Offers commercial banking services in freely convertible currencies, with one unit in Dhaka.
Card and Alternate Delivery Channels	Provides various debit and credit card offerings to meet customer needs.
Mobile Financial Services	Facilitates banking through mobile networks, covering cash in/out, bill payments, and POS purchases.
Agent Banking	Aims to provide banking services to remote, financially excluded areas, with a focus on cashless transactions.

#### 2.10.53 Risk Management

Risk in a banking context refers to potential events or actions that may adversely impact a bank's operations, either directly through losses in earnings or capital, or indirectly by hindering the achievement of business objectives. Such risks can arise from factors like economic downturns or fluctuations in interest rates. To absorb potential losses, banks rely on their capital reserves. The types and extent of risks a bank faces depend on several factors, including its size, the complexity of its activities, and the volume of its operations.

To enhance risk management practices, Bangladesh Bank initially issued guidelines covering six core risk areas. These guidelines have been implemented by banks in Bangladesh, including United Commercial Bank PLC (UCB). The Bank's risk management system, aligned with Bangladesh Bank's directives, addresses the following core risk areas:

- Credit Risk
- Foreign Exchange Risk
- Asset-Liability Management (ALM) Risk
- Internal Control & Compliance Risk
- Money Laundering and Terrorist Financing Risk
- Information & Communication Technology Risk

#### Credit Risk Management

Credit risk is the potential that a borrower or counterparty will fail to meet its obligations as agreed. Managing credit risk aims to maximize the risk-adjusted return by keeping credit exposures within acceptable limits. Banks must manage both individual credit risks and portfolio-level risks. Effective credit risk management is vital for long-term success.

Credit risk can stem from various activities, including loans, guarantees, and off-balance sheet transactions. It arises from dealings with individuals, SMEs, corporations, banks, financial institutions, or sovereign entities. Credit risk assessment involves evaluating the likelihood of default and the financial impact on the bank.

At UCB, credit risk management is independent of business origination to reduce conflicts of interest and establish stronger internal controls. The Chief Risk Officer and the Head of Credit Risk Management oversee credit risk, while the Board of Directors holds final responsibility. The Board also sets credit policies, which are implemented by management.

The Bank's risk management framework is designed to ensure well-calculated risks to safeguard its capital and financial resources, contributing to sustainable profitability. A dedicated risk management committee monitors critical risk areas regularly.

#### Foreign Exchange Risk Management

Foreign exchange risk arises from changes in currency exchange rates, affecting investments, exports, imports, and international transactions. UCB has developed a Foreign Exchange Risk Management policy, in line with Bangladesh Bank's guidelines, to minimize risks from foreign exchange transactions.

#### Asset-Liability Management Risk

ALM is an integral part of the financial management process of any bank. It is concerned with strategic balance sheet management involving risks caused by changes in the interest rates, exchange rates and the liquidity position of the bank.

The Asset Liability Management Committee (ALCO) of UCB headed by the Managing Director & CEO of the Bank meets at least once in every month to look after the financial market activities, manage liquidity risk, interest rate risk and FX or currency risk. Asset Liability Management (ALM) desk of the Treasury is primarily responsible for management of liquidity risk on a daily basis by appropriate coordination of funding activities. Asset liability Committee (ALCO) reviews the country's overall economic position, market outlook (local and global) and Bank's liquidity position. A quarterly projection of fund flows is reviewed in ALCO meeting regularly. ALCO also examines key ratios such as Maximum Cumulative Outflow, Advance Deposit Ratio, Capital to Risk Weighted Asset Ratio, Liquidity Coverage Ratio (LCR), Net Stable Funding Ratio (NSFR), Leverage ratio etc. ALCO also monitors concentration of deposits of large institutional depositors, which is volatile in nature.

In addition to the above ratios, ALCO also analyses the following statements to measure and monitor liquidity risk, interest rate risk and FX or currency risk:

Risks	Statement
Liquidity Risk	<ul> <li>Structural liquidity profile</li> <li>Dynamic liquidity profile</li> <li>Key Management Ratios</li> <li>Cash flow projection</li> </ul>
Interest Rate Risk	<ul> <li>Traditional Gap Analysis (up to 1 Year)</li> <li>Traditional Gap Analysis (Total A-L)</li> <li>Duration Gap Analysis</li> <li>Balance Sheet VaR</li> <li>Stress Testing</li> </ul>
Currency Risk	Currency wise Exposure     Value at Risk (VaR)

#### **Internal Control & Compliance Risk**

Internal Control is a process, effected by a bank's board of directors, management, and other personnel, designed to provide reasonable assurance regarding the achievement of objectives relating to operations, reporting and compliance. An organization deploy many layers of defence. In order to ensure, there are enough controls to manage the adverse risk of any major setback. The first layer of defence is the operational management. The second layer of defence is the control function such as internal control, risk management and compliance. The third layer of defence is the internal and external audit function.

Internal Control & Compliance Division (ICCD) under guidance of Board & Senior Management has been working in light of Bangladesh Bank guidelines. Audit function is independent with reporting line of 'Head of Audit' to Audit Committee of the Board along with administrative reporting line to 'Head of ICCD'. Competent authority of the bank has taken various steps to strengthen internal audit as well as compliance activities for ensuring a standard compliance culture within the organization towards mitigating Internal Control & Compliance Risks.

A strong internal control system, including effective internal audit function provides independent assurance to the board of directors and management on the quality and effectiveness of a bank's internal control, risk management and governance systems and processes, thereby helping the board and senior management

#### Money Laundering & Terrorist Financing Risk Management

Money Laundering (ML) and Terrorist Financing (TF) are the main factors to erode economic growth. So that Financial Institutions across the globe are working hard to fight against ML&TF related financial crime to protect assets and maintain regulatory compliance. Money laundering is the process of providing legitimate appearance to the illegally gained revenue and terrorist financing process involves collecting the funds intended to use in supporting the terrorist organization from a variety of sources to meet goals of terrorist organizations.

Regulators expect, functions in the Bank to be global standard across business lines. The best ways to satisfy these expectations are to centralize functions of the bank, keep continuous monitoring of the transactions and activities of the customers during banking operations and do meticulous compliance of regulatory requirements.

The years to come will undoubtedly be challenging to manage ML&TF risks considering their plurality. To mitigate such risks, the bank exerts continuous efforts to maintain and fine-tune its current policies and procedures and adopt new ones to meet future challenges.

UCB has already gone a long way in the path of centralization of its functions. In 2018, new Anti-Money Laundering and Anti-Terrorist Financing Division has been formed along with its organogram, which is updated in 2023. As instructed by BFIU, Deputy CAMLCO is heading this Division. The division is initiating new specialized trainings focusing risks such as cryptocurrencies, e-commerce, fin-tech, trade-based and credit-backed money laundering, etc. The division has taken various initiatives to develop better monitoring system throughout the bank to mitigate ML&TF risks. To build a vigorous anti-money laundering and anti-terrorism program, UCB has deployed necessary resource and manpower. In addition, an annual message from the Managing Director & CEO of the bank also acts as a guideline for all the employees in this regard. AML & ATF Division has taken up a yearly action plan for meticulous compliance of regulatory requirement.

AML & ATF Division has arranged a number of training programs on prevention of money laundering and terrorist financing for 1479 Executives/Officers of the Bank through-out the year 2024 to develop their professional skill and ensure better regulatory compliance.

In line with international initiatives and standards, the regulator has issued guidelines for preventing Trade Based Money Laundering (TBML). Based on that policy, UCB has also prepared the policy and reviewed the same in August, 2023.

#### Fraud and Forgeries Risk

Fraud involves deliberate deception for unlawful or unfair gain. UCB is dedicated to maintaining a robust antifraud control mechanism to identify fraud attempts early, escalate them appropriately, and take corrective action. As part of its commitment to regulatory compliance, the Bank reports all instances of fraud or forgery to the central bank in a timely manner.

#### Information and Communication Technology (ICT) Risk

In order to enhance operational efficiency and strengthen ICT support for both internal users and customers, the Bank has restructured its Information Technology Operations Division. This restructuring, alongside key technological advancements, ensures that UCB remains at the forefront of providing secure and efficient banking services.

# ICT Risk Management Approach

ICT risk management at UCB is a structured process for identifying, assessing, and mitigating risks associated with information security. The focus is on ensuring business transformation and technology-driven advancements while mitigating both operational risks and potential losses from missed opportunities.

#### **ICT Policy and Regulatory Compliance**

UCB has recently updated its ICT Policy to align with the latest technological trends and Bangladesh Bank's ICT guidelines. The Business Continuity Plan (BCP) and Disaster Recovery Plan (DRP) have been revised to ensure preparedness for potential disruptions. Furthermore, UCB adheres to global best practices such as ISO 27001 for information security and ISO 22301 for business continuity. The Bank has maintained PCI DSS certification for the seventh consecutive year and continues to uphold industry-leading standards for risk management and security.

#### **Key ICT Risk Mitigation Initiatives**

To strengthen its ICT security and mitigate fraud risks, UCB has implemented the following measures:

- Ongoing CBS Upgradation Project: The bank is actively upgrading its Core Banking System (CBS) from Oracle 12.2 to the latest 14.7 version, ensuring improved performance, security, and regulatory compliance.
- Data centre Expansion Project Completed: The bank successfully enhanced network and server rack space, cooling, power, and humidity control, ensuring improved operational capacity.
- High Availability (HA) Implementation: HA has been implemented at both Data Center (DC) and Near Disaster Recovery Centre (NDC) for Internet Router, Core Router, and Core Switch, improving redundancy and uptime.
- DDOS Attack and WAF Protection: HA implementation at DC and NDC for Distributed Denial-of-Service (DDOS) attack mitigation and Web Application Firewall (WAF) with F5, strengthening cybersecurity measures.
- Perimeter Firewall Deployment at NDC: Enhanced network security with high availability, traffic control, and better risk management.
- Deployment of a Next-Generation Core Firewall with advanced threat prevention for faster threat detection and flexible management.
- Implementation of a Robust Web Protection Solution with comprehensive threat protection, URL filtering, and malware blocking.
- Call Center Upgradation (Phase-1 Completed): Enhancements to improve service quality and response times, ensuring seamless customer support with chatbot and CRM 360-degree integration for improved customer experience and compliance.
- Replacement of TWPG with Cyber Source Payment Gateway: Transitioning to a more secure payment gateway to enhance transaction security and fraud prevention.
- Successful Completion of Regulatory Audit: The bank retained a "Satisfactory" rating, demonstrating compliance and best practices in IT security.

- Completion of Biometric Verification for Loan-related Charge Documents: Strengthening identity verification and fraud prevention in loan processing.
- Enhanced IP Telephony System with modern video conferencing, collaboration tools, and integrated voice recording and reporting.
- Compliance with 3DS Version 2 requirements for secure payment processing with VISA and MasterCard.
- Renewal of SWIFT Customer Security Program (CSP) Certification v2024 for enhanced transaction security.
- Implementation of a Privileged Access Management (PAM) Solution to control and monitor privileged access to critical systems.
- Deployment of Vulnerability Assessment and Penetration Testing (VA/PT) Tools to detect and mitigate security risks across applications, networks, databases, and endpoints.
- Operation of a Security Operations Centre (SOC) using IBM QRadar SIEM and X-Force intelligence for real-time cyber threat detection and analysis.
- Introduction of Two-Factor Authentication (2FA) and OTP Mechanisms for enhanced security in Internet Banking and credit card transactions.
- Integration of National Identity Card (NID) Verification System to prevent duplicate NID use in customer account openings.
- Deployment of Anti-Skimming Devices in ATMs to prevent card counterfeiting and fraudulent transactions.
- · Adoption of EMV Standard Chip-Based Cards to reduce fraud risks related to skimming and duplication.
- Implementation of a Dual-Control Mechanism (maker-checker) in financial and non-financial transactions within core banking and card management systems.
- Real-Time Automated Fraud Management Solution capable of monitoring transactions based on predefined risk rules.
- Implementation of a Robust HRMS System for efficient employee management, reducing risks related to screening, recruitment, and benefits,
- · Optimization of Core Banking Software and Database for enhanced performance and security.
- Regular ICT Security Awareness Training through simulated phishing campaigns to educate employees on cyber threats and secure practices.

UCB's proactive approach to ICT risk management ensures that the Bank is well-positioned to handle emerging security threats, while enhancing operational efficiency and customer satisfaction.

#### 2.10.54 Internal Audit

The Bank has established an independent internal audit function that conducts risk-based audits across various business and operational areas on a continuous basis. This function ensures that the Bank's internal controls, risk management practices, and operational procedures are regularly assessed and optimized to meet evolving standards.

#### 2.10.55 Interest Rate Risk

Interest rate risk may arise from both the trading and non-trading portfolios of the Bank. The trading portfolio includes government treasury bills and bonds with varying maturities, and interest rate risk is primarily associated with mismatches in the timing of interest rate changes between assets and liabilities.

# 2.10.56 Interest Rate Risk Management

Interest rate risk arises from discrepancies between the yield of an asset and its associated funding cost. The Asset Liability Committee (ALCO) monitors interest rate movements regularly, while the Bank's Market Treasury team actively manages the balance sheet gap to mitigate risk exposure. This proactive approach ensures that interest rate fluctuations are effectively managed to minimize any adverse impact on the Bank's financial performance.

## 2.10.57 Operational Risk

Operational risk refers to the potential loss stemming from inadequate or failed internal processes, systems, personnel, or from external events. It is an inherent risk in the Bank's activities, and like other types of risk, it is managed within a comprehensive framework that includes checks and balances. This framework incorporates the "three lines of defence" model, where each business area is responsible for identifying its key operational risks and implementing controls to mitigate those risks. Independent risk management oversight ensures compliance with laws, regulations, and the Bank's policies.

The Bank's operational risk policy outlines the governing principles for managing operational risks and provides a structured framework. The primary objective is to manage operational risk in a manner that balances the need to avoid financial losses and reputational damage, with the aim of maintaining cost-effectiveness and fostering innovation. In all cases, the Bank's policy mandates compliance with applicable legal and regulatory requirements.

## 2.10.58 Operating Environment

The Bank's operating environment in 2024 has been significantly influenced by a variety of global and local events, including the ongoing Russia-Ukraine conflict, geopolitical tensions in the Middle East, volatility in fuel and commodity prices, and the sustained strength of the USD. These factors have had far-reaching impacts, affecting not only international markets but also the local economic landscape, which, in turn, has influenced the Bank's operations.

In response to these external challenges, the Government of Bangladesh and Bangladesh Bank have implemented a range of regulatory measures and directives aimed at mitigating the repercussions of these global events. The Bank has ensured compliance with these guidelines to maintain operational stability.

The Bangladesh banking sector faced several challenges in 2024, including political instability, economic uncertainty, regulatory shifts, and internal banking sector issues. These challenges were compounded by increased non-performing loans (NPLs), leading to severe liquidity pressures and exposing weaknesses in credit risk management. A revised loan classification policy unveiled hidden debts, raising concerns about reporting systems and asset quality assessments.

Frequent policy changes, including a sharp interest rate hike to 10% to curb inflation, created regulatory uncertainty, which impacted banks' ability to manage liquidity and lending practices effectively. In addition, unrest and supply chain disruptions had a negative impact on businesses, particularly those in sectors such as garments, posing a risk to business continuity. In response, the interim government and Bangladesh Bank introduced oversight reforms and forensic audits to stabilize operations and restore confidence in the banking sector.

#### 2.10.59 Audit Committee

In accordance with BRPD Circular No. 12 (dated 23 December 2002), all banks are required to establish an Audit Committee composed of members from the Board of Directors. This committee plays a crucial role in assisting the Board in fulfilling its oversight responsibilities related to corporate governance and risk management.

The Audit Committee is tasked with ensuring the effective implementation of the Bank's strategic objectives and business plans. Its core responsibilities include overseeing the financial reporting process, evaluating the internal control framework, managing financial risks, and monitoring audit processes. Additionally, the committee ensures the Bank's adherence to applicable laws, regulations, and its code of business conduct, thereby promoting transparency and accountability in all financial and operational activities.

#### 2.10.60 New Standards Issued but Not Yet Effective

The following new and amended standards are effective for annual periods beginning after 1 January 2025. While early adoption is permitted, the Bank has not opted for early adoption. However, none of these standards are expected to have a significant impact on the Bank's financial statements:

- Lack of Exchangeability (Amendments to IAS 21) effective from 1 January 2025.
- Amendments to the Classification and Measurement of Financial Instruments (Amendments to IFRS 9 and IFRS 7): - effective from 1 January 2026.
- Annual Improvements to IFRS Accounting Standards (IFRS 1, IFRS 7, IFRS 9, IFRS 10 and IAS 7) effective from 1 January 2026.
- Contracts Referencing Nature-dependent Electricity (Amendments to IFRS 9 and IFRS 7) effective from 1 January 2026.
- Presentation and Disclosure in Financial Statements (IFRS 18) effective from 1 January 2027.
- Subsidiaries without Public Accountability: Disclosures (IFRS 19) effective from 1 January 2027.

## 2.10.61 Events After the Reporting Period

All material events that occurred after the reporting period have been considered, and appropriate disclosures have been made in the financial statements, in accordance with IAS 10: Events After the Reporting Period. A common event after the reporting period is the Board of Directors' recommendation regarding dividend payments, which has been disclosed in note 2.10.21.

#### 2.11 General

#### 10 Non-Banking Assets

Others

As per schedule 01 under section 38 of Bank Company Act, 1991 and BRPD circular 14 dated 25 June 2003, a bank needs to present non-banking asset in its Balance Sheet statement. As per section 33(7) of Artha Rin Adalat Ain, 2003 and BRPD circular no. 22 dated 20 September 2021, after getting the ownership of any security/mortgaged property against bank loans, a bank has to take necessary actions to ensure registration, mutation and physical possession; and report non-banking asset in its financial statements.

The bank has been awarded ownership u/s 33(7) of Artha Rin Adalat Ain 2003, mortgaged properties against 31 accounts as of 31 December 2023 as per the verdicts of learned court. Mutation and physical possession of properties against 2 (two) accounts were obtained during the year, and properties against one account out of these two was sold during the year. Properties against another account were recognized as "Non-Banking Assets" following the BRPD circular no. 22 dated 20 September 2021 and presented below.

However, the Bank was also awarded ownership of properties against two accounts u/s 33(7) of Artha Rin Adalat Ain 2003 during 2024. Therefore, the total number of accounts against which ownership were awarded is 31 as of 31 December 2024. Mutation and physical possession of properties against these 31 accounts have not been completed yet. Therefore, the Bank have not recognized and reported those as non-banking asset in its financial statements as of 31 December 2024. Though the Bank Is in process of receiving mutation and physical possession of some of these properties. The Bank will perform the valuation of those properties as per BRPD circular no. 22 dated 20 September 2021; and report in its financial statements upon fulfilment of these criteria of the said circular. A detailed list of those properties has been disclosed under Annexure-C.

<sup>\*</sup> Unclaimed dividend is the residual amount of approved dividend in AGM which has not yet been paid to or claimed by the shareholders.

As per Bangladesh Bank letter no. D81-4/7007/2025-635 dated 27 April 2025, shortfall in provision is BDT 3,992.30 crore. However, shortfall in provision against investment amounting to BDT 100 crore has been booked in the year 2024 and surplus in provision against off-balance sheet exposure amounting to BDT 3.96 crore has been utilized. Hence, remaining shortfall in provision as of 31 December 2024 is BDT 3,896.26 crore (comprising of BDT 3,349.51 crore against loans and advance; BDT 155.48 crore against deposit in NBFIs; and BDT 391.27 crore against other assets). However, total provision provided in 2024 is BDT 1,293 crore.

As per DOS letter no. DOS(CAMS)1157/41(Dividend)/2025-3111 dated 21 May 2025, Bangladesh Bank allowed the bank to finalise its financial statements for the year ended 31 December 2024 without adjusting the shortfall amount of BDT 3,896.26 crore. However, no specific timneline has been provided by Bangladesh Bank in the said letter to recover the shortfall amount. Rather Bangladesh Bank has instructed to submit Management's action plan regarding recovery of the above mentioned shortfall amount; and management is working on that accordingly.

#### 15 Statutory Reserve

As per section 24(1) of the Bank company Act, 1991 and amendments thereon, an amount equivalent to 20% of the profit before taxes for the year has been transferred to the statutory reserve fund as under:

Opening Balance Add: Transferred during the year 15,802,731,273 15,764,308,439 15,730,183,055 15,730,183,055 26,008,000 38,422,834 - - 15,828,739,273 15,802,731,273 15,730,183,055 15,730,183,055

As per Section 24 (1) of Bank Company Act 1991 and as amended till date, a bank needs to transfer 20% of profit before any money is transferred to Government or any dividend is declared (i.e. profit before tax) to statutory reserve if the amount in such fund together with the amount in the share premium account is less than its paid-up capital. The Bank has fulfilled the above criteria. Hence, no transfer is required to be transferred in 2023 and 2024.

## United Commercial Bank PLC Islamic Banking Unit Notes to the Financial Statements For the year ended 31 December 2024

## Status of the Islamic Banking units

Islamic Banking refers to a system of Banking or Banking activity that is consistent with the principles of the Sharia's (Islamic rulings) and its practical application through the development of Islamic economics. Sharia's prohibits the payment or acceptance of interest or excess (Riba) for the Lending and Borrowing of money. It carries out trade and other real economic activities to generate income rather than earning through trade of money (Interest). It also avoids Gharar (ambiguity) in any dealings or contracts and also avoids Malsir (gambling) in all activities. The principle also emphasises moral and ethical values in all dealings.

The operation of our Islamic Banking is totally different from the Bank's conventional operation as the former operates their business on the basis of Islamic Shariah. Accounting system is vital for ensuring Shariah compliance in such banking operation. Our Islamic Banking operation is committed to follow the accounting principles that refrain from intetest. In a nutshell, we follow under noted principles for accounting under its Islamic Banking umbrella, run through a separate Islamic Banking software namely i-FLEXCUBE.

## 1.1 Governance and Shari'ah Compliance

UCB has established a robust Shari'ah governance framework to ensure compliance with Islamic financial principles. The key components include

- · Shari'ah Supervisory Board (SSB): Oversees the Islamic banking operations and ensures compliance with Islamic laws.
- Internal Shari'ah Audit: Conducts periodic audits to assess compliance with Shari'ah principles.
- · Shari'ah Review and Advisory Unit: Provides ongoing guidance and approvals for product development and implementation.

## 1.2 Principal Activities and Nature of Business

The Islamic Banking units of UCB offers all kinds of Islamic Shari'ah based commercial Banking services to its customers through its windows following the provisions of the Bank Companies Act 1991 (as amended up to 2023), Bangladesh Bank's Directives and directives of other regulatory authorities and the principles of the Islamic Shari'ah.

## 1.3 Deposits Principles

### 1.3.1 Shariah principles for receiving deposits

Islamic banks receive deposits under two principles:

- i) Al-Wadeeah principle.
- ii) Mudaraba principle.

## 1.3.1.1 Al-Wadeeah:

Fund which is deposited with Banks by the depositors with clear permission to utilize /invest the same is called Al-Wadeeah. Islamic banks receive deposits in Current Accounts on the basis of this Al-Wadeeah Principle. Islamic banks obtain permission from the AlWadeeah depositors to utilise the Funds at its own responsibility and the depositors would not share any profit or loss earned/incurred out of using of this funds by the bank. The banks have to pay back the deposits received on the principle of Al-Wadeeah on demand of the holders. The depositors have to pay government taxes and other charges, if any.

## 1.3.1.2 Mudaraba:

Mudaraba is a partnership of labour and capital, where one partner provides full capital and the other one manages the business. The capital provider is called Sahib-Al-Maal and the user of the capital is called Mudarib. As per Shariah principles, the Mudarib will conduct the business Independently following Shariah principles. The Sahib-Al-Maal may provide advices, if he deems fit but he can not impose any decision over the Mudarib. Profit, if any, is divisible between the Sahib-Al-Maal and the Mudarib at a predetermined ratio, while loss, if any, is borne by the Sahib-Al-Maal. The deposits, received by Islamic banks under this principle are called Mudaraba Deposits. Here, the depositors invest as Sahib-Al-Maal and the bank manages the business as Mudarib.

The Mudaraba deposits include:

- i) Mudaraba Savings Deposits (MSD)
- ii) Mudaraba Short Notice Deposits (MSND)
- iii) Mudaraba Term Deposits (MTD).

## 1.3.1.3 Income Sharing Ratio (ISR)

UCB Taqwa - Islamic banking declares Income Sharing Ratio ( ISR) between Bank and Customer, which is applicable on its Bangladeshi Taka UCB Taqwa Mudaraba Savings Account, UCB Taqwa Mudaraba SND Account, UCB Taqwa Mudaraba Term Deposit Account, UCB Tagwa Monthly Income Term Deposit, UCB Tagwa Monthly Deposit Scheme.

UCB Taqwa profit bearing accounts are operated under Shariah Mode " Mudaraba" where, it is a partnership business contract between Bank & Customer, Customer provides capital ( Shaheb Al Maal) and bank manages the business (Mudarib). Income generated is distributed between partners as per agreed Income Sharing Ratio ( ISR).

- UCB Tagwa does not offer any provisional rate for any types of Mudaraba Accounts.
- Profit rate will be determined every month according to the Income Sharing Ratio ( ISR) between Bank and Customer and Income from investment.

## 1.4 Investment Principles & Investment Products

Islamic banks do not directly deal in money. They run business with money. The funds of Islamic banking are mainly invested in the following modes:

- 1) Musharaka;
- 2) Bai-Murabaha (Murabaha to the purchase orders);
- 3) Salam and agency;
- 4) Ijarah Muntahia Bittamleek (Hire Purchase);
- 5) Hire Purchase Shirkat al Melk (HPSM);

## 1.5 Significant Accounting Policies

## 1.5.1 Basis of preparation of the Financial Statements

Islamic Banking unite of the Bank is being operated in strict compliance with the rules of Islamic Shari'ah. The financial statements of the unit have been prepared under the historical cost convention in accordance with International Financial Reporting Standards (IFRSs) and as per provisions of the "Guidelines for Islamic Banking" issued by Bangladesh Bank through BRPD Circular No. 15 dated 09 November 2009 with reference to the provisions of the Bank Companies Act, 1991 (as amended) and other circulars/ instructions of Bangladesh Bank, the Companies Act 1994, the Securities and Exchange Rules 1987 and Standards issued by the Accounting and Auditing Organization for Islamic Financial Institutions (AAOIFI), as a member of that organization.

In case any requirement of the Bank Companies Act 1991 (as amended) and provisions and circulars issued by Bangladesh Bank differ with those of IFRSs as adopted, the requirements of the Bank Companies Act 1991 (as amended) and provisions and circulars issued by Bangladesh Bank shall prevail.

## 1.6 Income/ Revenue Recognition Principle

The bank earns income from various sources such as charges, fees, commission and investment income. To recognize all sorts of income, Islamic Banking units of UCB follows Shariah principle strictly. Recognition of income from investment follows principles as under:

- Income from Islamic financing: Recognized based on the contractual terms of Islamic financing instruments, following profit realization principles.
- Profit distribution: Earnings from investment accounts are distributed among depositors and shareholders as per agreed profitsharing ratios.
- · Zakat obligations: If applicable, the bank facilitates Zakat calculations for depositors.
- · Prohibition of Interest: No income is earned or recognized from interest-based transactions.

## 1.7 Cost Recognition Principle

Cost in respect of profit paid on deposit is recognized on accrual basis. Monthly accruals in this respect are calculated on the basis of Income Sharing Ratio. Other costs are also recognized on the accrual basis following the matching concept of Accounting.

## 1.8 Risk Management Framework

Islamic banking operations are exposed to unique risks, including Shari'ah non-compliance risk, liquidity risk, and credit risk. UCB implements a comprehensive risk management framework to mitigate these risks by:

- · Ensuring thorough Shari'ah compliance checks for all products and transactions.
- Conducting regular internal and external audits.
- Maintaining adequate liquidity buffers as per regulatory requirements.
- · Strengthening credit assessment procedures for Islamic financing contracts.

## 1.9 Islamic Banking Products and Services

UCB offers a range of Shari'ah-compliant products, including:

- . Deposit Products: Mudarabah Savings Account, Mudarabah Term Deposits, and Wadiah Current Accounts.
- · Financing Products: Murabaha, Ijarah, Musharakah, and Mudarabah-based financing solutions.
- Trade Finance: Shari'ah-compliant letters of credit, export financing, and working capital solutions.
- Investment Banking: Islamic Sukuk, equity-based financing, and other halal investment opportunities.

## 1.10 Corporate Social Responsibility (CSR) and Islamic Philanthropy

UCB's Islamic banking division actively participates in social welfare activities, including:

- Disbursement of Zakat and charity funds to eligible beneficiaries.
- Financing social projects through Qard Hasan (benevolent loans).
- · Promoting financial inclusion and ethical banking practices.

## 1.11 Reporting period

These financial statements cover from January 01 to December 31, 2024.

## 2 Genera

Notable growth in net interest income over the years

Increased non-interest income in FY 2024 Growth in loans and deposits base in FY 2024

Successfully issued a number of bonds

Challenge/

Risks

High growth in NPL with most concertation in bad loss

CRAR declined to 10.59% in FY2024 lower than the regulatory requirement

Shortfall in provision in FY 2024 Qualified financial opinion in FY 2024

Significant decline in post-tax profit over the last two years Exceeding the regulatory ceiling for advance to deposit ratio

Rationale

Emerging Credit Rating Limited (ECRL) has assigned AA-B (Pronounced as 'Double A Minus Bond') long term credit rating to United Commercial Bank PLC's (UCB) of UCB 6th Subordinated Bond (hereinafter referred to as "The Subordinated Bond" or "The Bond" or "The Issue") issuance of BDT 8,000.00 million in face value based on audited financials up to FY2024 (from FY2021) and other available information up to the date of rating declaration. The outlook on the rating is Stable. The rating is consistent with ECRL's methodology for this type of bond rating. The rating is assigned on the basis of draft information memorandum, draft agreements between the issuer, trustee and mandated lead arranger provided by the entity in discussion and the rating may significantly change if the covenants in those agreements are altered.

The ratings reflect the strengths of the bank, supported by the maintenance of CRR and SLR above regulatory requirements, consistent growth in both loans and advances as well as deposits, and a notable increase in net interest income accompanied by strong growth in non-interest income. However, Emerging Credit Rating Limited (ECRL) remains concerned about several key issues, including the decline in the Capital to Risk-Weighted Asset Ratio (CRAR) below the regulatory threshold, Exceeding the regulatory ceiling for advance to deposit ratio, a significant rise in Non-Performing Loans (NPLs) with a high concentration in the bad/loss category, provision shortfalls, declining post-tax profit over the last two years, and a qualified audit opinion in the reviewed period.

United Commercial Bank PLC (UCB) submitted an action plan to Bangladesh Bank on June 22, 2025, approved by its Board of Directors, to recover a loan loss provision shortfall and strengthen regulatory capital. As of December 31, 2024, UCB had an actual provision shortfall of BDT 3,896 crore, which is below the regulatory comfort level. The strategic roadmap aims to fully eliminate this provision shortfall by 202 through phase-wise provisioning A key objective is also to significantly red

Non-Performing Loan (NPL) ratio, bringing it below 5.00% by 2029. The actual NPL ratio for 2024 was 14.91%. The plan further includes enhancing capital adequacy to 13.47% by 2029 (from 10.89% in 2024). Accordingly, ECRL will closely monitor the bank's adherence to the stated roadmap and implementation of the outlined action plans. Any deviation from this may have an adverse impact

The bond is repayable in seven years with five equal installments starting from the end of year three. Semi-annual coupon payment will be paid starting at the end of 6 months from the date of drawdown. Coupon rate of the bond will be determined by the benchmark rate/ reference rate plus 3.00% p.a. The bond is Private placement of Unsecured, Non-Convertible, Redeemable, Floating Rate Subordinated Bond. Moreover, UCB Investment Limited will act as the mandated lead arranger and DBH Finance PLC will act as the trustee for this issue. The proposed bond issue will allow the bank to enhance its capital strength and continue to grow its balance sheet in future years. Apart from strengthening the bank's capital base, the proceeds from the issue will be used for undertaking general business activities of the bank including loans and investments in treasury and other securities.

on the credit rating of the issuer, which eventually might impact on the

credit rating of the bond.

In terms of performance of the issuer, the bank's total tier-1 capital reduces to 7.60% and reached at BDT 36,171.85 million in FY 2024 which was BDT 39,148.52 million in FY 2023. Conversely, Tier-2 capital increased to BDT 17,687.16 million due to an enhancement in subordinated bonds amounting to BDT 10,402.80 million. Consequently, the bank's total regulatory capital stood at BDT 53,859.01 million in FY2024, down from BDT 55,214.43 million in the previous year. According to Section 13(2) of the Bank Company Act 1991 (amended in 2023) and BRPD Circular No. 18 dated December 21, 2014, the required capital including the capital conservation buffer of 12.50% of risk-weighted assets amounted to BDT 63,587.78 million as of December 31, 2024. Against this requirement, the bank reported a capital shortfall of BDT 9,728.77 million. If the shortfall in provision is also considered, the actual capital shortfall would be significantly higher than reported. In the same time, the Risk-Weighted Assets (RWA) of the bank's significantly increased to adverse classification of several large unclassified loans. As a result, the bank's Capital Adequacy Ratio (CRAR) declined to 10.59% in FY2024, compared to 12.58% in the previous year which was lower than the required CRAR of 12.50% (including the capital conservation buffer) under the Basel III framework.

To enhance capital, the Bank's Board approved raising authorized capital from BDT 2,500 crore to BDT 5,000 crore, issuing 2:1 right shares, offering new shares to strategic investors equal to 50% of paid-up capital as of 31 Dec 2024, and issuing a BDT 800 crore subordinated bond.

In FY2024, the bank's total assets rose to BDT 768,779.48 million, reflecting a yearon-year growth of 12.23% from BDT 685,012.41 million in FY2023. Gross loans and advances remained the dominant component of the asset portfolio, accounting for 74.51% of total assets, up from 73.86% in the previous year. During the period, gross loans and advances increased by 13.21%, reaching BDT 572,828.87 million from BDT 505,969.49 million in FY2023. Investments constituted the second-largest component of the asset base, representing 11.43% of total assets. The bank's investment portfolio remained heavily concentrated in government securities, which accounted for 85.45% of total investments up from 83.73% in the previous year.

During the period, the bank's classified loans and advances rose sharply to BDT 85,343.96 million, up from BDT 27,819.39 million in FY2023. Bad and loss loans continued to represent the largest portion of classified loans, comprising 71.39% in FY2024, compared to 78.03% in the prior year. Sub-standard loans accounted for 18 AUG 2025 25.97%, with the remainder classified as doubtful. As a result, the bank's Non-Performing Loan (NPL) ratio increased significantly, to 14.90% in FY2024, up from

Company Secretary (Action)% in FY2023, reflecting a notable deterioration in asset quality and heighten Commercial Bandredic risk that could pose systems concerns for figancial stability. During the review

period, fresh NPLs surged to BDT 65,550.76 million, compared to BDT 7,958.28 million in the previous year. In addition, total rescheduled loans and advances reached BDT 29,105.03 million which was BDT 6,019.60 million in FY 2023, representing 5.08% of the bank's gross loans in review. The bank also written off BDT 7,128.47 million in loans, up from BDT 4,651.22 million in FY2023. If rescheduled loans are considered alongside NPLs, the adjusted NPL ratio would have surged to 19.98% in FY2024, up from 6.69% in the previous year, underscoring substantial stress in the bank's credit portfolio. Despite these challenges, the bank failed to maintain the required loan loss provisions during the year. The total provision shortfall stood at BDT 33,495.06 million. However, Bangladesh Bank granted approval for the bank to finalize its financial statements for the year ended December 31, 2024, without adjusting for the shortfall.

In FY2024, UCBPLC experienced a moderate expansion in its deposit base, which increased by 7.95% to BDT 554,215.27 million, up from BDT 513,394.68 million in the previous year. A key contributor to this increase was the substantial rise in fixed deposits, which grew by 26.39% or BDT 64,282.96 million, largely driven by the bank's successful execution of targeted deposit mobilization campaigns. In terms of deposit composition, current accounts and other deposits accounted for 19.16% of the total portfolio, followed by savings deposits at 16.87% and bills payable at 1.20% all of which showed a slight decline compared to the prior year. The bank maintained a credit-deposit ratio of 91.31% in FY2024, which was up from 87.00% for conventional banks regulatory ceiling. Additionally, UCBPLC continued to comply with Bangladesh Bank's requirements for the Cash Reserve Ratio (CRR) and Statutory Liquidity Ratio (SLR).

During the year of 2024, UCBPLC reported a notable 32.58% increase in net interest income, reaching BDT 20,856.90 million, up from BDT 15,731.77 million in the previous year. This growth was primarily driven by the expansion of both the bank's gross loan and deposit portfolios, which positively influenced interest income and expenses. During the period, interest paid on deposits rose significantly by 59.18%, reflecting both a higher cost of funds and growth in the deposit base. Operating expenses increased to BDT 21,391.29 million in FY2024 from BDT 19,502.96 million in FY2023. Despite the rise in costs, strong operating income resulted in a 55.03% increase in pre-provision profit, which reached BDT 15,077.89 million. However, the sharp escalation in non-performing loans led to a substantial rise in total provisions, which surged to BDT 12,932.50 million in FY2024, compared to BDT 4,548.33 million a year earlier. As a result, pre-tax profit declined by 58.56% to BDT 2,145.39 million from BDT 5,177.39 million in FY2023. With tax expenses amounting to BDT 1,537.59 million, net profit after tax fell significantly by 77.36%, totaling BDT 607.80 million in FY2024, down from BDT 2,685.09 million in the previous year.

Since the new Board of Directors took charge on 27 August 2024, the Bank has made good improvements across key operational areas. As of 23 June 2025, net deposits increased by over BDT 62,000 million, surpassing the full-year growth of 2024. The Loan-to-Deposit Ratio improved slightly to 90.85% as of June 2025 from 91.31% in December 2024. Additionally, more than 3 lakh new customer accounts were opened in the first half of 2025. The Bank also reduced operating expenses by BDT 510 million (Jan-May 2025) compared to the same period last year, and recovered over BDT 15,000 million in loans by 20 June 2025, reflecting a moderate improvement in its operational performance.

The **Stable** rating outlook reflects ECRL's expectations that UCB is likely to maintain its business growth and consistency in matching maturities of assets and liabilities.

FY2021-2024 data extracted from Audited Financial Statements

In FY2024, the bank increased its authorized capital to BDT 25,000.00 million through the issuance of 2,500 million ordinary shares at a face value of BDT 10.00 each. During the same period, the bank's paid-up capital rose to BDT 15,503.76 million, up from BDT 14,765.48 million in FY2023. Key components of the bank's core capital including share premium, statutory reserve, and general reserve remained stable over the past two years. However, for the first time in four years, the bank's retained earnings declined, reaching BDT 6,307.66 million in FY2024 compared to BDT 7,769.98 million in the previous year. Additionally, an injection of BDT 300.00 million in fresh capital was made during the year. The bank's regulatory adjustments rose sharply by 46.53% the highest in the last four years. As a result, the bank's total tier-1 capital reduces to 7.60% and reached at BDT 36,171.85 million in FY 2024 which was BDT 39,148.52 million in FY 2023. Conversely, Tier-2 capital increased to BDT 17,687.16 million due to an enhancement in subordinated bonds amounting to BDT 10,402.80 million. Consequently, the bank's total regulatory capital stood at BDT 53,859.01 million in FY2024, down from BDT 55,214.43 million in the previous year. According to Section 13(2) of the Bank Company Act 1991 (amended in 2023) and BRPD Circular No. 18 dated December 21, 2014, the required capital including the capital conservation buffer of 12.50% of risk-weighted assets amounted

BDT 63,587.78 million as of December 31, 2024. Against this requirement, the bank capital shortfall of BDT 9,728.77 million. If the shortfall in provision is also considered,

capital shortfall would be significantly higher than reported. The adverse classification of several large unclassified loans significantly contributed to a sharp increase in the bank's Risk-Weighted Assets (RWA). In FY2024, total RWA rose by 15.92%, reaching BDT 508,702.34 million, up from BDT 438,856.38 million in FY2023. Consequently, the bank's Capital Adequacy Ratio (CRAR) declined to 10.59% in FY2024, compared to 12.58% in the previous year. According to Section 13(2) of the Bank Company Act 1991 (amended in 2023), BRPD Circular No. 35 dated December 29, 2010, and BRPD Circular No. 18 dated December 21, 2014, the bank is required to maintain a CRAR of 12.50% (including the capital conservation buffer) under the Basel III framework. In the absence of regulatory forbearance and upon full recognition of the provision shortfalls identified during the year, the bank's aggregate losses would have been substantially higher. Under such conditions, the CRAR would have dropped further to 5.40% as of December 31, 2024, indicating significant capital inadequacy.

To enhance capital, the Bank's Board approved raising authorized capital from BDT 2,500 crore to BDT 5,000 crore, issuing 2:1 right shares, offering new shares to strategic investors equal to 50% of paid-up capital as of 31 Dec 2024, and issuing a BDT 800 crore subordinated bond.

According to the financial statements, the bank has demonstrated consistent growth in its total asset portfolio over the past four years of operations. In FY2024, total assets increased to BDT 768,779,48 million, up from BDT 685,012.41 million in FY2023, reflecting a year-on-year growth of 12.23%. Within the asset portfolio, gross loans and advances accounted for the largest portion, representing 74.51% of total assets in FY2024 up from 73.86% in the previous year. Investments in government securities and other instruments constituted the second-largest share at 11.43% of the bank. Other key components included cash (5.91%), other assets (3.30%), placements with other banks and financial institutions (2.31%), and fixed assets (2.22%). The remaining balance comprised money at call and non-banking assets.

## B.2.1. Asset Quality

In FY2024, gross loans and advances continued to constitute the largest component of the bank's total asset portfolio. During the year, gross loans and advances increased by 13.21% to BDT 572,828.87 million, up from BDT 505,969.49 million in FY2023. Of the total gross loans and advances, BDT 487,484.91 million were as unclassified loans, representing 85.10% of the portfolio down from 94.50% in the previous year. Meanwhile, the combined amount of non-performing loans and advances, interest suspense, and required provisions loans and advances surged to BDT 174,528.31 million, reflecting a significant 160.25% increase from BDT 67,060.54 million in FY2023. Consequently, the bank's net loans and advances declined to BDT 398,300.56 million in FY2024, compared to BDT 438,908.94 million in the previous year, highlighting increased asset quality concerns.

In the meantime, in FY2024, the bank's investment portfolio expanded by 6.02%, compared to a growth of 8.41% in the previous year. Most of the bank's investments were concentrated in government securities, which accounted for 85.45% of the total investment portfolio an increase from 83.73% in FY2023. The remaining portion of the portfolio was diversified across quoted and unquoted shares, bonds, Sukuk, and other instruments. During the year, the bank increased its holdings in government securities by 8.19%, which was the key driver behind the overall growth in the investment portfolio.

In FY2024, the bank experienced a substantial increase in classified loans and advances, continuing an upward trend observed over the past four years. During the period, total classified loans and advances rose to BDT 85,343.96 million, up significantly from BDT 27,819.39 million in FY2023. Bad and loss loans accounted for the largest share of classified loans, representing 71.39% in FY2024, compared to 78.03% in the previous year. Sub-standard loans contributed 25.97%, while the remainder comprised doubtful loans. Additionally, fresh non-performing loans surged to BDT

05,550.70 million, a sharp rise from BDT 7,958.28 million in FY2023. Consequently, the bank's blank Part Revious Program (NPL) ratio increased to 14.90% in FY2024 from 5.50% in the prior year, indicating

a significant deterioration in asset quality and an elevated level of credit risk, which could pose potential financial instability for the institution.

As per Bangladesh Bank letter no. DBI-4/7007/2025-635 dated 27 April 2025, shortfall in provision is BDT 3,992.30 crore. However, shortfall in provision against investment amounting to BDT 100 crore has been booked in the year 2024 and surplus in provision against off-balance sheet exposure amounting to BDT 3.96 crore has been utilized. Hence, remaining shortfall in provision as of 31 December 2024 is BDT 3,896.26 crore (comprising of BDT 3,349.51 crore against loans and advance; BDT 155.48 crore against deposit in NBFIs; and BDT 391.27 crore against other assets). However, total provision provided in 2024 is BDT 1,293 crore.

As per DOS letter no. DOS(CAMS)1157/41(Dividend)/2025-3111 dated 21 May 2025, Bangladesh Bank allowed the bank to finalize its financial statements for the year ended 31 December 2024 without adjusting the shortfall amount of BDT 3,896.26 crore. However, no specific timeline has been provided by Bangladesh Bank in the said letter to recover the shortfall amount. Rather Bangladesh Bank has instructed to submit Management's action plan regarding recovery of the above-mentioned shortfall amount and management is working on that accordingly.

## B.2.3. Rescheduled and Written-Off Loans

In FY2024, UCBPLC's total rescheduled loans and advances increased to BDT 29,105.03 million, representing 5.08% of the bank's total gross loans. Additionally, the bank written off BDT 7,128.47 million in loans during the year, up from BDT 4,651.22 million in FY2023. Collectively, the sum of non-performing loans (NPLs), rescheduled loans, and written-off loans reached BDT 609,062.37 million in FY2024, reflecting a 17.89% increase from BDT 516,640.31 million in the previous year. Notably, if rescheduled loans are included alongside NPLs, the adjusted NPL ratio would have surged to 19.98% in FY2024, compared to 6.69% in FY2023, highlighting significant stress in the bank's asset quality.

## B.2.4. Large Loan Exposure

The bank's exposure to large loans, including both funded and non-funded loans exceeding 10% of the total capital, witnessed decrease compared to the preceding year. The outstanding balance of these loans reached BDT 287,624.01 million, distributed among 32 customers, contrasting with BDT 290,870.22 million in FY2023 spread across 35 clients. Moreover, the combined value of the top 20 funded and non-funded loans amounted to BDT 159,498.79 million in FY2024, constituting 27.84% of the total loan portfolio.

## B.2.5. Off-Balance sheet exposure

During FY2024, UCBPLC's off-balance sheet exposure declined to BDT 260,859.63 million from BDT 291,676.24 million in FY2023. This reduction was primarily driven by a significant decrease in acceptances and endorsements, as well as irrevocable letters of credit. In FY2024, the composition of off-balance sheet exposure was mainly concentrated in acceptances and endorsements (40.35%), followed by letters of guarantee (23.35%), irrevocable letters of credit (22.68%), bills for collection (9.50%), and forward assets (4.12%).

In FY2024, UCBPLC reported a notable 32.58% growth in its net interest income, which reached BDT 20,856.90 million, up from BDT 15,731.77 million in the previous year. This growth was primarily driven by profit on loans/investments, which stood at BDT 55,436.92 million during the year. As both gross loans and deposit portfolio of the bank has broadened which has impacted the banks interest income and interest expenses positively. In review, interest paid on deposits also rose significantly by 59.18%, driven by an increase in the cost of deposits as well as the expansion of the deposit base.

In contrast, UCBPLC posted strong growth in non-interest income during FY2024, which rose by 15.67% and reached BDT 15,612.29 million, up from BDT 13,496.92 million in FY2023. This growth was primarily fueled by increased earnings from investment-related activities, commission and other operating sources. Notably, income from commission, exchange, and brokerage made the largest contribution to non-investment income. As a result, of higher contributions from both interest and non-interest income streams, the bank's total operating income increased by 24.77% to BDT 36,469.19 million in FY2024, compared to BDT 29,228.68 million in FY2023.

Figure 8: Selected indicators of UCBPLC

In FY2024, UCBPLC's operating expenses increased to BDT 21,391.29 million, up from BDT 19,502.96 million in FY2023. Despite the rise in operating costs, the substantial growth in operating income contributed to a 55.03% increase in pre-provision profit, which stood at BDT 15,077.89 million during the year. However, the sharp rise in non-performing loans significantly impacted the bank's profitability, as total provisions surged to BDT 12,932.50 million in FY2024 up from BDT 4,548.33 mylion a year earlier. As a result, pre-tax profit contracted by 58.56%, amounting to BDT 2,145.39

## B.4.1. Fund Management

In FY2024, the bank's deposit base exhibited a positive growth trend, increasing by 7.95% to BDT 554,215.27 million, up from BDT 513,394.68 million in FY2023. Deposits have consistently remained the bank's primary source of funding, accounting for 72.09% of the total funding base in FY2024. A key driver of this growth was the significant rise in fixed deposits, which surged by 26.39% or BDT 64,282.96 million during the year. This increase was primarily attributed to the success of various targeted deposit mobilization campaigns undertaken by the bank. In terms of deposit composition, current accounts and other deposits contributed 19.16% of the total deposit portfolio, followed by savings deposits at 16.87%, and bills payable at 1.20% each showing a decline compared to the previous year. Additionally, the bank notably increased its reliance on interbank borrowings, with interbank liabilities rising by 22.24% in FY2024 over the prior year.

18 AUG 2025

As per the central bank's guidelines, the maximum permissible limit for the Loans-to-Deposit Ratio (LDR) is 97,00% for Islamic Shariah-based banks and 87.00% for conventional banks. In FY2024, the bank maintained a credit-deposit ratio of 91.31%, up from the regulatory ceiling. However, when the bank's stable funding base, the net loans-to-stable-funding ratio stood at

135.89% in FY2024, reflecting a modest improvement from 148.35% in the previous year. This improvement was driven by a combination of controlled loan growth and an expanding deposit base.

## B.4.2. Liquidity Management

UCBPLC has maintained its Cash Reserve Ratio (CRR) and Statutory Liquidity Ratio (SLR) in compliance with Bangladesh Bank's requirements for both conventional and Islamic banking operations, reporting a combined surplus of BDT 5,435.13 million in CRR and BDT 3,960.96 million in SLR as of FY2024. The bank's maturity-based asset-liability profile reveals a net liquidity gap in the 1 to 3 months and 1 to 5 years maturity brackets. However, despite these interim mismatches, the overall net cumulative liquidity position across all maturity periods remained in surplus, indicating an adequate liquidity buffer during the review period.

## C. MARKET RISK ANALYSIS

Markets risks of a Subordinated Bond may arise due to uncertainty related to interest rate risk and pricing risk of the bond. Moreover bond by nature are exposed to many sources of risk. The term structure of the interest rate can shift and twist in different ways. Issuers may default due to sector wide problems or individual credit difficulties. However, the debt instrument that United Commercial Bank PLC is sensitive towards both market and company specific risks. All investments which offer a balance between risk and potential return are graded to be the higher rated investment. The balance between risk and return varies by the type of investment (in this case Subordinated Bond), the entity that issues it, the state of the economy and the cycle of the securities markets (this risk is eliminated as it will not be publicly traded in secondary market).

UCB to raise Tier-2 Capital through issuance of UCB 6th Subordinated Bond in order to strengthen its capital base in accordance with Bangladesh Bank's Guidelines on Risk Based Capital Adequacy (Revised Regulatory Capital Framework in line with Basel III). UCB Investment Limited is acting as the mandated lead arranger whereas DBH Finance PLC is acting as the trustee. To evaluate the proper pricing and coupon rate structure offered for the instruments ECRL has considered the following risk analysis related to the both market and instrument specific risk.

## C.1. Interest Rate Risk of the Bond

Interest rate risk affects the value of bonds that arises when an investment's value will change due to a change in the absolute level of interest rates. Coupon rate of the bond will be determined by the send mark rate and then a margin of 3.00% p.a. added to the benchmark rate. The benchmark rate

is determined by latest average of the 6-months highest FDR rate of all private commercial banks (excluding all the foreign banks, Islamic Banks 4th & 5th generation banks) as published by Bangladesh Bank on the Quotation Day (subject to market condition and regulatory approvals). Five (05) business days before the first day of any period for which coupon is to be paid.

## C.2. Pricina Risk

Maturity profile of bonds affects the bond price. There are two primary reasons why long-term bonds are subject to greater interest rate risk than shorter term bonds. Firstly, there is greater probability that interest rates will move significantly upward or downward, thus upon upward movement it will negatively affect a bond's market price within a longer time period than within a shorter time period. As a result, investors who buy long term bonds but attempt to sell them before maturity may be faced with a deeply discounted market price when they want to sell their bonds. With short term bonds, the risk is not as significant because interest rates are less likely to substantially change in the short term. Shorter term bonds are also easier to hold until maturity, thereby, alleviating an investor's concern about the effect off profit rate driven changes in the price of bonds. Secondly, long term bonds have greater maturity than short term bonds. Because of this, a given interest rate change will have greater effect on long term bonds than short term bonds.

## D. COMPANY SPECIFIC RISK ANALYSIS

Risk is an integral part of financing business and thus every financial institution is exposed to risk of different type and magnitude. So, the prime responsibility of every financial institution is to manage its risk such that its return from business can be maximized. Banks are exposed to five core risks through their operation, which are Credit Risk, Asset/Liability Risk, Foreign Exchange Risk, Internal Control & Compliance Risk, Money Laundering Risk, and Information & Communication Technology Security Risk. As a prudent and responsible financial institution, the Company attaches top priority to ensuring safety and security of the finances that are being extended.

## D.1. Credit Risk

Credit risk is one of the most vital risks for any commercial bank as like United Commercial Bank PLC. Credit risk arises from non-performance by a borrower. It may arise from either an inability or an unwillingness to perform in the pre-commitment contracted manner. The real risk from credit is the deviation of portfolio performance from its expected value. The credit risk of a bank is also effect the book value of a bank. The more credit of a particular is in risk, the more probability of a bank to be insolvent.

## D.2. Asset Liability Management Risk

Asset Liability Management (ALM) is an integral part of Bank Management; and so it is essential to have a structured and systematic process to manage the Balance Sheet risk properly. UCBPLC has developed an "Assets Liability Management Committee" comprising of the senior management of the bank to make important decisions related to the Balance Sheet of the bank. It also developed a guideline in line with Bangladesh Bank guidelines to meet abovementioned purpose. The Asset Liability Management Committee (ALCO) of UCBPLC is headed by the Managing Director of the Bank which meets at least once in every month to look after the financial market activities, manage liquidity risk, interest rate risk and FX or currency risk. Asset Liability Management (ALM) desk of the Treasury is primarily responsible for management of liquidity risk on a daily basis by appropriate coordination of funding activities. Asset Liability Management risk can be classified into three major categories such as liquidity risk, interest risk, foreign exchange risk.

## D.2.1. Liquidity Risk

Liquidity risk is the potential for loss to a bank arising from either its inability to meet its obligations as they fall due or to fund increases in assets without incurring unacceptable cost or losses. Liquidity risk arises when the cushion provided by the liquid assets are not sufficient enough to meet maturing obligations. Eiquidity risk is often triggered by the consequences of other financial risks such as credit 18 AUG 2025 risk, interest rate risk, foreign exchange risk, etc. For instance, a large loan default or changes in interest value can adversely impact a bank's liquidity position. Loans to deposit ratio indicates a banks dity position and UCBPLC's loans deposit ratio stood at 86.57% in December 2023 which indicates

entrusted with the responsibility of managing short-term and long-term assets and ensuring adequate liquidity at optimal funding cost. ALCO also reviews liquidity requirement of the bank, the maturity of assets and liabilities, deposit and lending pricing strategy and the liquidity contingency plan.

## D.2.2. Interest Rate Risk

Interest rate risk is the possible loss from adverse movements in market interest rates. Changes in interest rates affect a bank's earnings by changing its net interest income and the level of other interest-sensitive income and operating expenses. An investment's value will change due to change in the absolute level of interest rates. Such changes usually affect securities inversely and can be reduced by diversifying or hedging (through an interest rate swap) techniques. The Asset Liability Committee (ALCO) of UCBPLC is the main body which looks after and monitors investment profit rate structure. The committee also evaluate any market risk arises from the regulatory pressure thus reducing the profit rate. Moreover, ALCO committee is always watchful to adverse movement of the different market variables.

## D.2.3. Foreign Exchange Risk

Foreign exchange risk is the current or prospective risk to earnings and capital arising from adverse movements in currency exchange rates. Managing foreign exchange risk involves prudently managing foreign currency positions in order to control, within set parameters, the impact of changes in exchange rates on the financial position of the bank. Introduction of market based exchange rate of Taka has resulted in both trading opportunities and associated foreign exchange volatility risk. UCBPLC has developed a "Foreign Exchange Risk Management Policy" complying with the Bangladesh Bank guideline in order to identify and combat the foreign exchange risk. UCBPLC has formed Exchange Operation Department to make sure of timely, properly and authentic reporting to regulatory authority.

## D.3. Operational Risk

Bangladesh Bank defines operational risk as the risk of loss resulting from inadequate or failed internal processes, people and systems or from external events. This operational risk also includes legal risks but not strategic and reputational risks.

## D.3.1. Anti-Money Laundering Policy

Money laundering risk refers to acquired or earned properties directly or indirectly through illegal means. In boarder sense, illegal transfer, conversion, concealment of location or assistance in the above act of the properties acquired or earned directly or indirectly through legal or illegal means. So Anti Money Laundering risk is defined as the loss of reputation and expenses incurred as penalty for being negligent in prevention of money laundering activities. UCBPLC has formulated a guideline on AML and ATF issues since in line with the amendment of the AML Act 2012 made by the Government. Central Compliance Unit (CCU) is in force headed by the Chief Anti Money Laundering Compliance (CAMLCO) at Head Office and Branch Compliance Unit (BCU) headed by the Branch Anti Money Laundering Compliance Officer (BAMLCO) who is entrusted to comply with BFIU instructions in order to prevent Money Laundering and Combating Financing of Terrorism. In line with this, they independently review the transactions of the accounts to verify suspicious transactions. UCBPLC has also prepared its own policy on "Prevention of Trade Based Money Laundering" on September 29, 2020 based on the BFIU guidelines on the same.

## D.3.2. Internal Control and Compliance (ICC)

UCBPLC has a diversified and complex financial activity within the country. Since its activity involves high risk, the issue of effective internal control system, corporate governance, transparency, accountability has become significant issues to ensure smooth performance in banking industry of Bangladesh. In many banks internal control is identified with internal audit; the scope of internal control is not limited to audit work. It is an integral part of the daily activity of a bank, which on its own merit identifies the risks associated with the process and adopts a measure to mitigate the same. Internal Audit on the other hand is a part of Internal Control system which reinforces the control system-through regular review. In line with this, it plays an important role in preventing and detecting fraul and projecting the organization's resources. At the organization level, internal control objectives

relate to the reliability of financial reporting, timely feedback on the achievement/strategic goals, and

purality away and regulations. At the specific transaction level, internal Company Secretary (Acting) United Commercial Bank Di UCB 6th Subordinated Bond

actions taken to achieve a specific objective. As per BB requirement, UCBPLC has revised its organogram and structure of internal control and compliance division along with audit division and audit division has been separated from ICCD which will act independently from now. Internal control can provide reasonable not absolute assurance that the objectives of an organization will be met. Effective internal control implies that the organization generates reliable financial reporting and substantially complies with all laws and regulations that apply to it.

## D.3.3. Information & Communication Technology (ICT) Security System

Risks surrounding IT, such as network failure, lack of skills, hacking and viruses and poor system integration have the potential to have a negative impact on a Bank. UCBPLC has developed an "ICT Policy" comply with the 'Guideline on information & Communication technology" issued by Bangladesh Bank for protecting the ICT systems. So it becomes prerequisite to establish disaster recovery site for rescuing valued data and to re-establish normal business operation. The bank implemented a disaster recovery site that would be activated in case of disaster, which brought and restored data in authenticated way. The new CORE Banking Software (CBS) of UCBPLC, namely Flexcube UBS of Oracle Financial Systems Software (OFSS), went live from 22<sup>nd</sup> June 2014. With the implementation of CBS, as the entire Database now reside centrally at the UCBPLC Data Centre as well as the Disaster Recovery Site; the chances of Data corruption and loss has become almost negligible. The bank has also improved its transaction role risk by introducing CBS system. Notably, by implementing CBS system along with the Maker-Checker concept, the bank has improved to reduce its fraud and forgery risk. UCBPLC has implemented Real-time gross settlement systems (RTGS) in 2015. UCBPLC has implemented Nexpose vulnerability management software to identify latest ICT security threats and to make the workplace more secured. UCBPLC is connected to Bangladesh Bank & other Banks network. So Bank can transfer/receive money and securities in real time. It reduces the cost of exchanging money and services, and is indispensable to the functioning of the interbank, money, and capital markets. To provide more convenient and efficient service to the customers, the bank has developed the branch automation and delivery channels.
